THE RENEW PROCLAMATION OF GOD'S LAW
THE KINGDOM OF GOD

SERMON ON THE MOUNT

“Look among the nations and see, wonder and be astounded. For I AM doing a Work in your days that you should not believe if told.” Habakkuk 1, verse 5. Let's pray for "A Peaceful World." One word we shall keep closer to our hearts every day is Love, Love of God and Love of neighbor.

THE FATHER'S DECLARATION

I AM the LORD, your God, Creator of Heaven and Earth. I created mankind.

All the citizens of the world, God's reconciliation with mankind has been planned and now is the time the world shall be introduced to My beloved Son, King Paxhu. I AM for peace, but you are for war. You teach each other how to legalize war and how to avoid being a war criminal while killing each other. The Words of God have always been straightforward and clear. You are My creation. Where were you when I created the Heaven and the Earth with a purpose and a plan. Everyone being an involuntary citizen of My Earth means you are accountable for your actions and treatment of your fellow man. Where are gratitude and acknowledgment? But a world littered with false religions and false gods. The Earth is for the Righteous. Where are the Righteous? Why do you all choose to hate? What do you benefit from hating your fellow men or hating God? I AM the only God that ever existed. The whole Earth belongs to Me. I have never given it to any nation except giving "Jacob" to the Covenant people of Israel. The State of Israel belongs to the Israelites alone. Palestine stop claiming your false right!

Why do you say the Holy Bible is not true? It does not make any sense to a fool, does it? In comparison, does your behavior making any sense to God? What shall happen if God's answer is "no." People who reject God are not welcome on God's Earth. King Paxhu is to reveal four billion God's enemies to you. And all that four billion shall be removed from the Earth. The remaining four billion under My Salvation who choose to restart their Righteous life have to prove their Righteousness. Stop using your free will to sin. Stop normalizing, recognizing, or honoring power above Righteousness. All leaders of the world who insist on their entitlements and privileges in hurting others shall be eliminated. The Vatican City State and the Holy See has repeatedly rejected to collaborate with My Son in helping others. They are the first two countries to forfeit their sovereignty, with the entire governments, including Pope Francis, removed as a result. Elijah is the new Pope.

Do any of you know what God's right is? God has a right to destroy His creations and to punish those failing to listen to His repeated warnings. Your Godless ways have made it necessary for Him to send serious and sobering warnings as examples of what is going to happen to those who fight against God. Two Major Earthquakes, one in the United States and one in Japan shall become your reality. "You should have all been for peace. You should have returned to the image and the likeness of God you were originally created." Only those who can visualize peace in an eternal term can understand My action. The Kingdom of God on Earth is your peaceful destiny to be accepted or you shall be punished for eternity. To make sense of God's wrath, you need to understand how far you has fallen from grace. The tragic magnitude of your sins and the necessary wrath can make sense and be understood only when the lovingkindness nature and purpose of mankind are understood.

The world is soon to witness and learn the destructive capabilities of My Power. Only then, a fool can make a wise decision not to sin again. All citizens of the world shall be given a second chance to end their sins. The decision to be with God is yours but shall be made within the Seventy Weeks of Daniel. All leaders of the world and all governments of the world must work together to achieve a peaceful world by first aligning with God's Law and the Principles of Righteousness. My plan is black and white. My Timeline is short and precise. Wars, killing, and corruption must stop immediately. All weapons of war must be completely eliminated. Hell is real. Eternal punishment is real. You cannot escape God's punishment, being dead or alive. Your voluntary decision to be a citizen of the Kingdom of God shall allow you to be on Earth.

THE RENEW PROCLAMATION OF GOD'S LAW
THE KINGDOM OF GOD

The Covenant people of Israel, the chosen of the chosen, I have loved you, I do not change, but you say, "How have God loved us?" I have given you the Holy Land. I have given you the Ten Commandments and you display a pandemic failure to love your fellow man. I had given you My beloved Son, Christ Immanuel, and you had killed Him. You were not only killed Him physically, but you reject His Divinity, you wipe Him off from your Tanakh. You rewrote history to disgrace My Son. My obvious Words in the Book of Enoch emphasize Immanuel is your Messiah. Then you reject Enoch. Tell Me "How would you like to be punished?" I have no choice but to eliminate Judaism. By your sins, I have cut you off from My help. You should have been a priesthood to the world, instead of engaging in war. My Son is here with a new name. Do not fail Him this time. All Judaism must convert to Christianity and reconciliation with My Son by Repent. King Paxhu is to bring Israel back to Me.

Despite your unrighteousness, despite all the inequality and frustration many have endured as a result of your actions, I AM hopeful about the world's future. As it is in Heaven, King Paxhu is to create the Kingdom of God on Earth for all future generations to live a life informed and shaped by love. Not only in the midst of God's chosen people of Israel, but also over all the nations of the Earth, resulting in God the Son being the King over all the Earth, its inhabitants, and all of their affairs. The future King of Earth shall oversee all the governments on My term, including replacing the unjust governments of any country if such government is unable to provide a peaceful environment for its people, for its neighboring countries, or unable to administer under the Kingdom of God. My term is for the world to be co-governed together by five world governments upon one Universal Law while preserving the culture, heritage, and pride of each nation. At the end of My Son's one thousand years Reign, the Earth shall be ascended to become a permanent part of Heaven. At that point, there shall be no mankind's cycle of death.

My Son shall Reign the peaceful world. The peaceful world collectively is our common hope and dream. I expect all of the world's governments and all citizens of the world to give their best efforts. We must act as "ONE", be Goal-Oriented, and complete our tasks together. In creating a peaceful world, only the Righteous nations shall remain nations. God's Authority on Earth now rests with King Paxhu, He shall lead the world to Righteousness, Prosperity, and Peace. Whoever shall not listen to My Words that My Son shall speak in My name, shall have to account for himself to Me. For those of you who thought, think, or one day shall think My Son is a fool, I shall deny them and send them to hell. Remember only those who wish to be saved can be saved. Becoming a Christian, Repentance must be done through My Son. Repent does not change the person that hurts you. Repent changes you. As a gift for the animal and plant kingdom as well as for all of mankind, I AM to restore all of the Coral Reefs in the world. This is a power of God's act of creation. The restored Coral Reefs shall be sustainable with better love and care you're your side. Coral Reefs once teemed with diverse species of animals and plants living on the Reefs, but their natural ecological systems cannot restore themselves to outpace the destruction. My Coral Reefs Miracle shall be completed on January 1st, 2025.

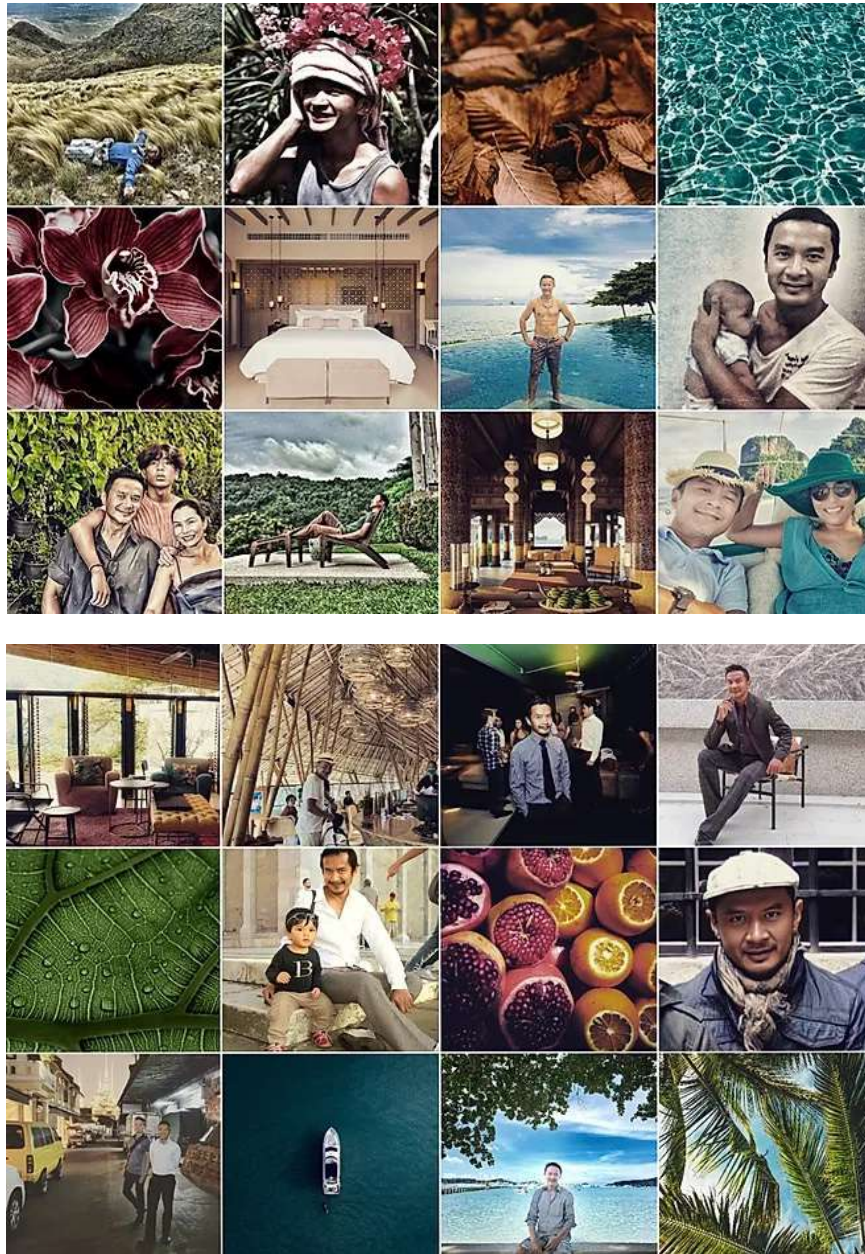

Finally, the most important message to the world, for anyone who wants to live an eternal life in Heaven, My Redeeming Path is always there for you. King Paxhu has started restoring the Gospel purity. Elijah, Moses, seven archangels, and the Churches shall preach the Spirit of the Holy Words. To be God's people, Love must lead the way, Love is the foundation of God's Law. I wish you a peaceful world, be Righteous, and have a successful journey to your eternal home in Heaven.

I shall be waiting to welcome you in My Heavenly Home. May peace be with you.

KING PAXHU'S DECLARATION

Be still, and know that I AM God. I shall be exalted among the nations.

Let me begin with "I love you all." This Declaration is not about Me. It is about how each of you shall prepare for the changes that you should have been prepared for. It is about your lives, not Mine, so be humble. You should know how to be humble before trying to be humble. God does not entreat the world assistant. God does possess the inherent Authority to annihilate His creations. It is not incumbent upon God to solicit aid from the world in order to fulfill His plans. The power to uphold or destroy the world and all that resides within it lies within His Sovereignty. My Father sent Me here to get rid of the world's problems. You should not be confused between eliminating problems and postponing problems. What good is it to suppress the problems and confront it later? The global issues facing our world are complex, multifaceted and intricate; but ultimately, they can be summed up as anything that goes against God's Law. Your truth lasts your life time. My Truth is eternal. My Truth is to be accepted voluntary, or mandatory, and not subject to supplication or negotiation. Do not let your mind imprison your own soul. Break free from the slavery of your old beliefs. Your feeling is not God. God is God. Your words do not define Truth. God's Words define the Truth.

I AM not of this world. I AM God the Son from the Kingdom of God in Heaven. In Heaven I AM the King and known as King Paxhu. It is imperative that you learn the Truth. The Earth belongs to God and on January 26th, 2036, I shall take My Rightful place as the King of Earth for one thousand years. God's Plan is to lead mankind to peace and harmony on Earth. And to eternal life in Heaven. The Kingdom of God is here to help, and as your future King of Earth, My first task is for you to accept God's help. God is to help you by changing hate to love, revenge to forgiveness, and war to peace. God is not begging the world in order for Him to help the world. I AM not trying to convince anyone on anything. I AM giving everyone the opportunity to ask for help. I empathize with the world's struggles; everyone tries their best to alleviate their difficulties. You have your priority. For now, I respect any hesitation in accepting God's help. There is TIMELINE for you to learn, accept, or be removed. Before making your decision, you shall all be given a sufficient time to learn and understand about God and the Kingdom of God. After the end of the learning period, every world citizen is required to make an inform decision to accept God or to be against God.

You are living in a time where devils do not hide, conceal, or subtle and the world still cannot see. Despite their visibility, these sinister entities are not being acknowledged or addressed. I promise to expose and eradicate four billion devils that are causing harm and turmoil in the world to prevent them from resurfacing and wrecking the world all over again. I AM offering protection and relief to those who are affected by these devils. Satan has taken the world hostage. Satan controls the world. More than seven billion of you follow Satan even those under the umbrella of Christianity. Satan is the devil spirit and adversary of God. Satan has successfully manipulated you when you think the purpose of religion outside Christianity, Judaism, and Zoroastrianism is to ensure yourselves a favorable outcome in the afterlife. It is not. I AM now asking you to walk away from Satan and together with Me sending Satan and Satan's followers to hell. Unfortunately, you are not able to assert your situation when you are trying to solve the problems with forces and violence. You project your disappointment in life onto others. Your arrogance is a common defense mechanism that make you feel better about yourselves. You are happy as long as you are being at the top looking down at people. You are accepted that there are consequences in life, if consequences are for others people. Everything in your perfect world is making sense to you using your own unintelligence. What I can see in each of you is that you have become the worse version of yourselves. It is important to listen to God while opportunity exists. Life could be over, then it is too late to accept God's gift of Salvation.

THE RENEW PROCLAMATION OF GOD'S LAW THE KINGDOM OF GOD

Part of My claims are beyond scientific limitations and partly outside Christianity's Holy Bible. A topic unknown to mankind. To scientists, the existence of Heaven and hell lacks empirical evidence. Of the individuals who have personal beliefs in them, none have ever been. One thing we all agree on is that Heaven and hell can only be reached after death. A few scientists untypically recognize that today's scientific knowledge is the pursuit of knowledge based on discovering the Laws and Principles governing the universe, of which God Himself is the sole Author. Therefore, science and the Holy Bible should have provided consistent and predictable messages by virtue of the same Authorship. Variation is a problem when mankind's obscuring such Truth. In other words, God can speak concerning God's Act of Creator on the basis of what can be understood scientifically. Having been prepared to face an overwhelming amount of antiChrist, I have anticipated My message to be outright rejected if you do not believe I have been sent by God from the Kingdom of Heaven. Or, unless interested individuals are willing and able to forget their own religions or beliefs for a few minutes, otherwise you shall not benefit from any of My Words. If individuals with different beliefs and values feel they are being attacked or feel their religions are being disrespected, one day when such individuals make it to Heaven, they shall understand and appreciate what I say to them is purely out of true love and sincere wish to save them.

Regardless of how you perceive this massive compendium at this time, the physical proofs of God's Act of Creation and Existence of Heaven is to change the world scientific culture. With God, everything is possible. It is the Kingdom of God's responsibilities to communicate all necessary information effectively with all the citizens of the world, in particularly with all the leaders of the world and all the governments of the world. I trust that you are ready to reason with Me, exercising as much skepticism as you like, but keep enough willingness to let the evidence persuade you of the Truth. Our mutual resolution with each government is required. Starting on May 14th, 2024, until September 22nd, 2027, the world shall be given the opportunity to learn, inquire, and receive guidance from the Kingdom of God. This period of time is reserved for a critical and peaceful learning. Giving the high level of tension toward God across the world, there is a high probability of uncontrolled conflict stemming from misunderstanding, misjudgment, and misperceptions to God. On January 26th, 2024, I AM issuing the Renew Proclamation of God's Law, in apparent that I AM giving the straight forward blueprint through which mankind, in the clearer light of your generation, may start study the Kingdom of God information and making sense of our Teaching and Culture which include; the Attributes of God, the Afterlife, God's Salvation Plan, the Concept of Sin and Repentance, God's Law, and the Governmental Authority of the Kingdom of God.

After the end of the learning period, the world shall be given a time of Seventy Weeks to make an informed decision. Your individual decision is required, either to accept the Kingdom of God on Earth or to reject it. The Seventy Weeks, shall start from September 23rd, 2027 until January 25th, 2029. To accept the Kingdom of God, you shall get baptized and end your sins, as well as accepting Me as your King. Any individuals, religions, and governments who reject the Kingdom of God after this Seventy Weeks period are the true God's enemies. The four billion devils shall be removed by force which shall take place from January 26th, 2029 until January 25th, 2036. The removal is to send them to hell. God's enemies or the devils may even be you if you prevent Me from helping the others. I would like to take this opportunity to ask each national leader "Are you for peace? How can I help?" World peace is one of the reasons My Father sent Me here. This is why I AM genuinely happy to be with you, to celebrate an essential relationship that has never been stronger, and to work with every nation to make sure we deliver the peaceful world together in an environment that draws Heaven and Earth closer and closer. The peaceful world under My Reign shall last for eternity. Many found, and many shall continue to find, in creating world peace, national leaders must first desire peace. It is wrong for governments with different perspectives on situations, influenced by different beliefs, values, and experiences to take actions or set priorities that lead to or aim to create serious conflict between communities and nations. Many times leads to a casualty. Forces and violence shall stop.

THE RENEW PROCLAMATION OF GOD'S LAW
THE KINGDOM OF GOD

Solving world challenges can be done through old beliefs and values alone, through new beliefs and values, or through a combination of both. Using the same beliefs and values also results in the same outcome. Flexible and result-oriented is needed. To create your version of a peaceful world, the Kingdom of God on Earth shall commence its administration that marked by My Coronation on January 26th, 2036. As we navigate through the complex web of global challenges, no issue is isolated, and no region can evade its impact. No longer can we view geopolitical boundaries as absolutes; instead, embrace the reality of our shared destiny, find common ground, and learn from each other. The key to crucial breakthroughs is to co-govern all of the world nations with five governments "The Quinarius Government" upon one Universal Law. Important advice to everyone is to be calm, patient, proactive, and objective. I AM anticipating that some countries shall not be ready for peace and some countries' version of their peaceful world are currently placing governments power above Righteousness. Those countries and any other country that administer against God's Law and the Principle of Righteousness, or reject My Kingship shall have its national status revoked.

All governments must lead the way by showing forgiveness and unity, free of regret, remorse, hostility, or blame. By learning from the past but not dwelling on them, humanity can change the way we think about each other. Our Preaching in Israel is in 2027. While our Preaching in 40 other countries is in 2025 and 2026. The Kingdom of God shall attend the United Nations Annual Assembly starting in 2024. The seven archangels from the Kingdom of God who are to work with all the world governments on the Peaceful Issue, are. Elijah, Moses, and eleven disciples are to personally preach the Churches and everyone on Salvation and the Principles of Righteousness. As a testament of faith, I request your presence to attend and participate in our Ministry of Preaching. During our visit, seven archangels, thirteen saints, and King Paxhu are to cure the Blind and open the ears of the Deaf, also to cure those with the following medical conditions; Mutism, Parkinson's Disease, Down's Syndrome, Epilepsy, Motor Neurone Disease, and Restless Syndrome.

At My Transfiguration, you shall see My true self. Transfiguration means My temporary physical appearance as a man that you all now see shall change back to My permanent Divine Being appearance. There are twelve billion population in the Kingdom of God in Heaven with different races. Mankind is one of them. Your eternal life in Heaven can become your reality. Everyone is invited. Generations born after My Coronation shall experience the reality of the Kingdom of God from childhood. The new generations' beliefs and values shall be the eternal peace and the eternal life. Extreme conflicts from honoring different religions that lead to wars and killing shall no longer exist. Irrelevant beliefs, false gods, and false religions shall have been fully eliminated with the removal of its people during the Great Tribulation Period.

Today, more things are more important now than ever. Truth, we are told. How does one know when the Truth is not true? Shall there be "any true purpose of life," for those determined to believe and spread a lie? What the Hebrew Bible says about reality, it says about God; what it says about God, it says about reality. My Father brings into every existence whatever exists, including time and space. I possess glory with My Father. I AM loved by My Father, and dwell with My Father before the foundation of the world. Consider the greatness of the universe, when God thinks, the gigantic mind which framed the universe is thinking of lovingkindness and gracious thought towards His people. When the prophets or God Messenger no longer speak the Words of the LORD to the world, the voice of the LORD is found in written texts in the Hebrew Bible. I AM resuming the role and responsibility of both a speaker and a writer of God's Words. The two verses you and I shall be observed are the Second Book of Chronicles 18, verse 13, "As surely as the LORD lives, I can tell him only what My God says" and the Gospel of Luke 8, verse 18, "Therefore consider carefully how you listen."

THE RENEW PROCLAMATION OF GOD'S LAW THE KINGDOM OF GOD

The world's faith in God is flattened down to a kind of another lifestyle, or another worldview, a kind of preference. These days, God's people feel compel to apologize for believing in God. It is an evil world, isn't it? God's people must stop apologizing. Soon the world shall be completely humiliated. Mankind lives only for 6,000 years, unfortunately within a short window of time people in every civilization do not want the Truth. They want their beliefs reinforced. In addition to your decision, I have the Authority to judge who shall enter Heaven or hell. The Salvation Plan is simple, only the one who wants to be saved can be saved. I believe that every world citizen has the right to be informed of God's Words. No one shall be forgotten. A decision to believe, to reject, or wanting to be saved or removed belongs to every individual.

Some modern people wish to be true to themselves while follow Christ at the same time. Being true to oneself means being honest and authentic in one's actions and beliefs. Being Righteous means adhering to moral, ethical, and God's Law. The two concepts must align for Christianity, but the Righteousness shall always prevail. I must admit, it requires hard thought as to how God's Law shall be expressed in the contemporary world as Christianity is becoming less spiritual and more irrelevant. I have spent time cutting back the unconnected Teaching, as much as writing essential ones, to give you an instant repository of facts. One of the lost eternal Truth is that the human soul lives for eternity. After death each soul shall be in the state of unconsciousness while waiting for My Judgment. When I say, "I AM the Way and the Truth and the Life. No one comes to the Father except through Me," this familiar verse from the Gospel of John means that God's Salvation rests with mankind's relationship with Christ. "The Way" means that no one shall be saved without following Christ. "The Life" means the promised eternal life can become your reality by Christ. "The Truth" means Christ Teaching is the eternal Truth. "Through Me" means I shall call the Righteous to enter the door of Heaven and the wicked to hell. The first removal of the devils between 2029-2036 is to take them to hell.

I must emphasize I take equality seriously, everyone in the world is equally important. Titles or status mean nothing when there is a lack of love, forgiveness, humility, or kindness. I do believe in the goodness of the world. I see the beauty of humanity. I see the challenges of humanity. While many of you can wait for a series of My Miracle Proofs before committing a relationship with Me. But some of you do not have such a privilege of time, especially the ones who have a feeling life is not worth living. Or the ones who live in extreme poverty. Many fear no one would ever love them enough to come and rescue them. Fear not. I can help you. My top priority is to make sure you are safe and are loved for eternity. My ongoing love and security can give you the strength that you need. I can heal your heart. Place your trust in Me. Follow Me and you shall have eternal life.

It shall take a courage to become a citizen of the Kingdom of God. But it takes full commitment, discipleship, and consistency to follow My Teaching, to pick up your cross, or to constantly deny yourselves. After Baptism, you shall develop a relationship with the Holy Spirit by handing over your old life and placing God's Law above your desire. To Repent is not to look backwards at your own shortcomings, but looking forwards at what might yet become the best version of yourselves. The way that you know you are saved is by successfully Repent. Put Love, Forgiveness, and Righteousness into action without wanting anything in return. Christianity is about leading by example and showing others how to be patiently practicing Love and Forgiveness in everyday life. I truly appreciate your time reading My Declaration and thank you for any help you can offer to make a peaceful world our reality.

May peace be with you and remember, "I AM here for you and I shall walk with you to our Heavenly Home."

THE RENEW PROCLAMATION OF GOD'S LAW
THE KINGDOM OF GOD

MY BAPTISMAL BIRTH ON KATANOI BEACH IN PHUKET, THAILAND

King Paxhu with pastor Daniel Skitch at My Baptismal Birth on December 19th, 2020, the date coincided with reappearance of the Prophecy Star of Bethlehem. This was the first reappearance of the Star in 794 years since 1226.

INTRODUCTION

Your truth lasts your lifetime, but My Truth lasts for Eternity.

This Book, "The Book of Renew Proclamation of God's Law," is published on My 58th Birthday, January 26th, 2024 on My official website www.kingpaxhu.com. The Book officially announces the Proclamation of My Divinity. I declare this Book to be the 30th Book in the Christianity Holy Bible with immediate effect. According to the Book of Isaiah 62, verse 2, I AM the Messiah with a new name. I AM King Paxhu, the King of Heaven, the Son of God. Let Me tell you one example of being a Christ-like Christian. God expects that all Christians must be able to forgive the person who killed them, if any. The same way Christ forgave on the cross, otherwise, those who failed to forgive shall not make it to Heaven. Humility, Discipline, and Repentance in today's Christianity are now acted out by profess, not practice! The damage Christianity does to God's Salvation means I did waste My Death and My Teaching. A number of times, I seriously wanted to change the religion name from "Christianity" to "Messiah." That sums up how Christianity as a whole disappointed Me.

The only people who shall be mad at Me for speaking the Truth, are the people who are living a lie. A disagreement with the devils can only turn into an argument that becomes an unresolvable problem. A disagreement with a good person shall turn into a conversation that leads to a solution. If the devils are spreading a deadly disease called "common ideal" (which leads to hell) through brainwashed thoughts and cultural influences, interrupting people's lives shall be the best way to awaken them to the truth about their toxic beliefs. More than 99% of the world's population has a false "common ideal" of placing their need and power above Righteousness. Shall God tolerate normalizing power above Righteousness? No! I AM not here to dwell in your past either. I AM for peace. I call upon all citizens of the world to come together as one big family, to forget differences, and to work towards a future where Righteousness prevails and every person is valued and respected. No more blame, no us vs them. Let go of the idea of tolerance and instead embrace compromise.

On the National Day of Israel, May 14th, 2024, I AM to perform a Miracle in raising eleven of My disciples in their resurrection in Rio de Janeiro, while Elijah, Moses, and seven archangels from Heaven shall be introduced to the world. We shall preach the Gospel of the Kingdom to you. My website also provides informative content about God's Law, about My background, and about God's Plan. The Seven Years Great Tribulation from 2029-2036, is the time to close your doors to hell. I come to eliminate God's enemies and all of the ungodly things; including eliminating your lies, your false gods, and false religions from the face of the Earth. This generation shall be the last that goes to hell. When I said; "Whosoever shall seek to save his life shall lose it, and whosoever shall lose his life shall preserve it." It means anyone who shall reject Me as their King, shall lose their life. The four billion unpeaceful people whose only determination is to maintaining forces and violence shall be removed. Things shall get to rock bottom before they get better.

No man is or shall be qualified to discuss God topic. God is transcendent and beyond human understanding. God's thoughts are nothing like your thoughts, just as Heaven is higher than Earth. God's ways are higher than your ways. God created humans and knows human limitations. This reading exercise is not to be a casual read, it is to separate the sheep from the goats. The good from the bad. A key message is to "PRACTICE" God's Law. Christians who reject Me after reading this Book shall stop calling themselves Christians, you are antiChrist. To seek God or to know God, one must show love and commitment in practicing God's Words. No shortcuts or volatility. Rejecting Me only means refusing to be the recipient of God's Blessing. God's help is now offered. My judgment is the only reality you all shall experience. If this reality does not make sense to you. You need to "DECIDE" to be with God or against God. The Law of the Universe puts Righteousness above all else. And cannot be broken, not by men. Or anyone! The Kingdom of God on Earth means God is Reclaiming back the Earth from sinful men. As your future King of Earth, I shall be a representative of all people living in the world. I AM to bring you to Heaven. Make yourselves ready. I AM encouraging everyone to always forgive and do their utmost to fulfill all of the Commandments. Qualifications for becoming a Christian are an ability to change and a willingness to accept Righteousness above their needs.

THE RENEW PROCLAMATION OF GOD'S LAW

Never Shall I Leave You; Never Shall I Forsake You.

MALACHI 3:1

*I shall send My messenger, who shall prepare the way before Me.
Then suddenly the Lord you are seeking shall come to His Temple, the Messenger of the covenant,
whom you desire, shall come, says the LORD Almighty.*

DEUTERONOMY 18:17-19

*And the LORD said to me, "Moses, they have said the right thing. So, when I want to speak to them,
I shall choose one of them to be a prophet like you. And I shall put My Words in His mouth,
and He shall speak to them all that I ask Him. And whoever shall not listen to
My Words that He shall speak in My Name, shall have to account for himself to Me."*

ISAIAH 62:2

*And the Gentiles shall see thy Righteousness, and all kings Your glory.
You shall be called by a new Name, which the mouth of the LORD shall name.*

MATTHEW 24:37-41

*When the Son of man appears, things shall be just as they were when Noah lived. People were eating, drinking,
and getting married right up to the day the flood came and Noah went into the big boat.
They did not know anything was happening until the flood came and swept them all away.
This is how it shall be when the Son of man appears.
Two men shall be in the same field, but only one shall be taken. The other shall be left.
Two women shall be together grinding grain, but only one shall be taken. The other shall be left.*

THE RENEW PROCLAMATION OF GOD'S LAW
THE KINGDOM OF GOD

CHRISTIANITY

Father that I Love, Knows that I Love Him.
My Words have Come Once Again.
My Messages Remain the Same.
I AM the Way, I AM the Truth, and I AM the Life.

The Holy Bible nowhere encourages Christians to attempt to discover the timing of Christ's return. The Holy Bible rather encourages Christians to "keep watch" and "be ready."

I AM God the Son that long has whispered into the hearts of women, children, and men. I AM one with My Father. My last embodiment on Earth is known to you as Savior Immanuel. Let's there be no confusion and no doubt on My Proclamation of My Divinity. My Words have come once again. My messages remain the same. *I AM the Way, I AM the Truth, and I AM the Life.* I AM King Paxhu, the King of Heaven, the Son of God. As God has promised, My Father sent Me to fulfill Biblical roles; the Lord, the King of Earth, the God Messenger, the God Servant, the Messiah with a new name, the Son of man, and the Prophet. To assert one, I must refer to another; thus, the case must be taken as a whole. It is My intention to tell the world the Truth, but God shall not beg the world for Him to save the world. The world is heading toward hell. Only enough love can save it.

In the Book of Isaiah 62, verse 2, the LORD says the Messiah shall come into the world with a new name, while in the Book of Isaiah 49, verse 5-6, I AM the God Servant from "outside" Israel who is called to restore "Jacob" back to God and to bring God's Salvation to the world. The Book of Isaiah 49, verse 5, confirms that I shall be Earth-born again. The Gospel of Luke 19, verse 15, means I AM to be a businessman at My Second Coming.

In the following five events, I AM to fulfill the Gospel of Matthew 24, verse 27, "For as lightning that comes from the East is visible even in the West, so shall be the Coming of the Son of man." The first event, *the Proclamation of My Son of God Divinity* with the launching of *the Renew Proclamation of God's Law* on My official website www.kingpaxhu.com on My 58th Birthday, January 26th, 2024. My website provides informative content about God's Law, My personal background, and God's Plan including the releasing of God's TIMELINES. Christianity shall immediately start with Repenting and commit to living a Righteous life. From the second event onward, each event shall be like the lightning that as soon as it appears, suddenly announces its presence everywhere at once. When it takes place, it shall reveal itself suddenly in all glory over the world.

The second event, "The Messiah, Archangels, and Saints Introduction Event" shall take place on the National Day of Israel, May 14th, 2024. Elijah, Moses, seven archangels and the Messiah shall be introduced to the world. On the same day, I AM to raise eleven of My dead disciples in their resurrection. The period from May 14th, 2024 until September 22rd, 2027 is reserved for the world to learn about the Kingdom of God. The twenty shall preach the Gospel of the Kingdom for more than 3 years until My Transfiguration.

The third event, *the Transfiguration of King Paxhu* on September 23rd, 2027. The date is also to kick start the Seventy Weeks of Daniel. The Seventy Weeks which runs from September 23rd, until January 25th, 2029, is reserved for making a decision to end your sins and to accept Me as your King. The fourth event, *I AM to lead the Biblical War* against God's enemies during the Seven Years Great Tribulation Period from January 26th, 2029 to January 25th, 2036. This period is reserved for cleansing and destroying God's enemies. I AM to reveal to you all the four billion devils of the world, and significantly, I AM to remove them. This is to be the world worst ever in terms of casualty. Therefore, be prepared. And the fifth event, *the King of Earth Coronation Ceremony* on January 26th, 2036.

THE RENEW PROCLAMATION OF GOD'S LAW
THE KINGDOM OF GOD

During My Israel Birth, I lived a sinless life to set an example for mankind. I was on Earth for 40 years. In the Gospel of John 1, verse 14, "And the Word became flesh;" who was eternal for His Divinity now assuming the human flesh and nature. The eternal Word assumed the humiliating and lowering task. I was born on May 16th, BC 7 and I left you on May 16th, the year AD 33. At Mount Olivet near the village of Bethany, before My last Ascension, a mixture scents of the world have imprinted in My memory. Almost 1933 years had passed and I was reborn on January 26th, 1966. Even before I opened My eyes a mixture scents of the world meant I AM here to see you again.

Paxhu is My Heaven name given by My Father. Paxhu in the Heaven language means the Son of God. I AM the promised Messiah King that generation after generation of the three religions have been waiting for; Christianity's Second Coming of Christ, Judaism's Mashiach, and the last Saoshyant of an old religion still in existence, the Zoroastrianism. When Christ Immanuel was first-time born in the Gospel of Matthew, it was the Magi—Persian Zoroastrian priests—who recognized Him as the long-foretold Savior and attended to My Birth.

On September 23rd, 2027, at My Transfiguration, the world shall see Me as My true self for the second time since My first Transfiguration on February 22nd, AD 33. After King Paxhu's Transfiguration, My Temple shall not be transfigured back to a man of flesh again. "His Temple" that My Father refers to in the Book of Malachi 3, verse 1, is My second physical embodiment on Earth that shall be transfigured into Divine Being.

In the Book of Malachi, the last Book of the Hebrew Bible, chapter 3 verse 1, speaks of God Messenger to come. In the Book of Deuteronomy, chapter 18 verse 17-19, Moses prophesied a future prophet who would be like Moses. The Prophecy applies to the collective office of the prophet as well as to the Second Coming of Messiah.

In the Gospel of John 8, verse 58, "Before Abraham was, I AM." Christ Immanuel's statement means He did not need anyone's approval to be the Son of God. I AM anticipating that your troubling question is this question. "Is King Paxhu the same Person as Christ Immanuel?" God's answer to your question is "Before Christ Immanuel was, I AM." Understanding My answer depends on how well you grasp the concept of your own question. King Paxhu is the Son of God; which is an eternal fact. Your opinion cannot change that fact. Your opinion does however change your destiny. If you are looking for a Jewish Man, then I AM not Him. Physically I AM not He. I am the pre-existent being that was to be Earth-born twice in different physical appearances. I was born Thai this time, and I AM here to lead the war against God's enemies. I AM to destroy them for you. God can take on any form and role. I do not need to be Christ Immanuel to be King Paxhu. Christ Immanuel transfigured once to His true self. King Paxhu's Transfiguration to His true self is still to come.

Christ Immanuel's Birth in Bethlehem was not King Paxhu's origin, that was King Paxhu's appearance as a Man on the stage of time. King Paxhu's life did not begin when He was born. King Paxhu is part of the Holy Trinity and has existed eternally alongside God the Father and the Holy Spirit. I AM more than you can measure. My true self has a different physical appearance from Christ Immanuel or from now. As a Divine Being, My greatness existed before the Earth and the Heaven were created. My greatness does not require a human endorsement. King Paxhu's greatness is beyond a Son of man's physical appearance.

Archangels and saints' witness accounts, and My Transfiguration shall silence some of you. Arriving in Heaven or hell shall silence all of you

"Only the Father knows" TIMELINES in the Gospel of Matthew 24, verse 36, have been revealed to Me on My 57th Birthday, January 26th, 2023. My Father revealed Himself and His TIMELINES for My Transfiguration and Coronation at My home, Rajkiri in Phuket. My Father chose to reveal His TIMELINES only to His Messenger, the similar way the Ten Commandments were only revealed to Moses, alone on Mount Sinai.

The Second Coming of Christ is one of the most misunderstood Prophecies.

THE RENEW PROCLAMATION OF GOD'S LAW
THE KINGDOM OF GOD

Christians' expectations and interpretations are a world apart from reality. By all who have the least acquaintance with the subject, whilst some of them are extremely superficial and inaccurate, see Christ correctly as a Being who transcends human limitations. Within Christianity, there have been strong disagreements on the precise time, the sequencing of the event, and shall in what form Christ's first reappearance shall take. Misrepresentations have been taken from ancient heroic tales written to aggrandize Christ with heroism and idealization attributed from the adoring public, particularly on the most fictitious and most damaged Book in the Christianity New Testament, the Book of Revelation.

However, the Hebrew Bible gets it right.

Being incarnated does not take away My Divinity. I incarnate twice so I can witness the two worlds and can understand the human's beliefs, values, challenges, and failures. Only as a man, I can live among you and can endure suffering. In preparing Christianity to become sons and daughters of God, the best way is for Christianity to overcome My temporary physical appearance and love Me as both a man and God. Failing to love Me as a man, shall hamper Christianity's ability to love your neighbor as yourself. Insulting Me shall send you to hell, the Repentance from those insulting Me shall not be accepted.

My Baptism fulfilled the Gospel of Luke 21, verse 25, regarding the sign in the star. My Baptism was coincided with the first reappearance since 1226 of the Prophecy Star of Bethlehem.

I have put together this Teaching, having in mind the long overdue and how significant it is for you. I started this writing minutes after My Baptismal Birth in December 2020, it has taken three years to complete the content of this Book. I have taken the liberty of quoting some Christians' fascinating read as part of My context without publicly acknowledging them. It is not the time to be seen, in all likelihood, as favoring some writing more than others.

The selected graphic is intended to represent My interest in design and art. Website design is something I still enjoy learning today which I have developed such a habit from My college-era at the University of Hong Kong where many assignments needed to be submitted in a website format.

Prior to that, My Father has been preparing Me for the role since childhood.

My passion is giving. My most stand-out trait is empathy. I feel overwhelmed by Love while writing, as I anticipate changes in the world to be greater than any of you have envisaged. Words or campaigns encouraging Righteousness mean nothing if no one is interested in doing a small and simple task.

I AM the bridge between Light and Love, between God and men, and between Heaven and Earth. Through the great Love within your heart and through those whom have come forth making themselves in remembrance of Me as the Temple of God the Son, you shall find Me.

The ones who endure to the end with Me shall have everlasting life.

God's followers must acknowledge that God created the Heaven and the Earth while all Authority in the Heaven and the Earth has been given to Me. In the Gospel of John 5, verse 22-23, all Judgment is with Me. Regardless of how the world perceives My "IDENTITY" at this time, try to adopt the concept of "the wait-and-see" attitude.

Committing yourselves to be an antiChrist without waiting for a series of My Physical proofs shall be avoided.

This Announcement is to Prepare the Public for the Establishment of "THE KINGDOM OF GOD" with Twelve Years Notice.

The Kingdom of God events consist of a series of supernatural phenomena that completely defy scientific explanations. In order to restore Righteousness, the public shall be aware the Biblical War between God and the devils is to take place between January 26th, 2029 and January 25th, 2036.

The Messiah is an embodiment of the true theocratic idea of the Tanakh Royalty, the Messiah is the realization of pre-eminently Jewish hope. In Judaism's Messianic prophecies, the chief interest does not center on the person of the Messiah, but on the Messianic Kingdom which Israel shall rule in glory. On the National Day of Israel, May 14th, 2024, Elijah, Moses, seven archangels, and the Messiah Himself shall be introduced to the world in preparation for the Holy establishment of the Kingdom of God on Earth in 2036. The Messiah is Earth-born, seven archangels and two saints are from Heaven. Eleven of Christ Immanuel's disciples are to be resurrected at the event.

The Messiah, Archangels & Saints Introduction Event, the Transfiguration Event, and the King of Earth Coronation Event are not to take place in Jerusalem. The three events are to take place at the Christ of Redeemer in Rio de Janeiro, Brazil. My events can bring more religious sensitivities and fuel further political conflicts into the already turmoiled region.

Judaism has violated God's Covenant. Israel was to follow God's commands and seek Christ. Instead, Israel has turned back, has rejected the Son of God, and "not sought the Lord, nor inquired of Him." Since the Ascension of Christ, the State of Israel has reverted to her former self "Jacob," a former state before experiencing God's mercy. The Jacob's rejection of My Divinity is a fundamental belief rooted in the false teachings of Judaism and continues to be a central tenet of today's Judaism. It is likely My events are to be cancelled if they were held in Jerusalem. As God keeps His Words to punish the Israelites for their sins, He shall also fulfill His promise of Deliverance and Salvation. Since Israel has broken the old Covenant which they have had with My Father, Israel shall soon enter into the new Covenant with Me. Voluntary or mandatory, I AM their King without negotiation. I AM to fulfill Jacob's destiny.

The date chosen for My Transfiguration, September 23rd, 2027, is symbolically 7 Years and 70 Weeks prior to the Coronation on January 26th, 2036. The Introduction Event is to take place on the National Day of Israel. The Coronation is to take place on My 70th birthday. For historical reasons, YouTube live broadcasting for the Introduction event is scheduled from 16:00-16:40 hours on May 14th in 2024, On that day, the Biblical archangels and saints shall confirm the existence of the Kingdom of God in Heaven.

The Introduction Press Conference is scheduled for May 15th, 2024, from 14:00-16:00 hours. YouTube live broadcasting for the Transfiguration of King Paxhu Ceremony is scheduled from 16:00-16:40 hours on September 23rd in 2027 and the Transfiguration Press Conference after My Transfiguration is scheduled for September 24th, 2027, from 14:00-16:00 hours. YouTube live broadcasting for the King of Earth Coronation Ceremony is scheduled from 09:00-11:00 hours on January 26th in 2036 and the Coronation Press Conference after My Coronation is scheduled for January 26th, 2036 from 14:00-16:00 hours. All Press Conferences are to take place in Rio de Janeiro.

THE RENEW PROCLAMATION OF GOD'S LAW
THE KINGDOM OF GOD

For the above three Press Conferences, forty questions shall be selected from international journalists based on the relevance of their questions, and whether such questions represent society's concerns. Also, one host, one news channel, and three hundred reporters shall be invited for each of the above three Press Conferences. Reporters who wish to attend the Press Conference shall request the invitation via the respective email addresses below. Specific inquiries regarding the Transfiguration Ceremony and the Coronation Ceremony including reporters' questions, host, broadcaster, and invitation requests shall be sent to transfiguration@christiansonofgod.com, and coronation@christiansonofgod.com respectively. All other media affairs including requests for interviews and invitations to other Press Conferences shall be directed to press@christiansonofgod.com. Questions must pertain to their respective event, and no irreverent inquiries shall be entertained. Kindly note that the Kingdom of God's official language is English and My Residences are not to be treated as tourist attractions. My privacy is kindly requested. New Press Conferences shall be held according to the schedule I deem most appropriate.

All reporters are strongly advised to maintain their professionalism by reading all content on My platforms before forming a question. Personal questions about Me, about My family, or My Father are to be refrained from. Such questions place respect and love for others beneath your needs. Simply, any action that is contrary to My Teaching is to be refrained from. Part of the wrong culture in journalism is refusing to cover a story that can bring a positive change to the world. Many journalists only write news that will sell their newspapers or advance their careers. It is time to focus, for God is taking over the world. Journalism should help readers prepare their lives for these changes.

Reporters, Churches, Christian scholars, or anyone who rejects My Words, rejects My Divinity or My Authority are not permitted to insult Me. My harsh Words do not aim to promote freedom in criticizing. But to inform the world that the Judging Authority is God's Authority alone, not men. Mankind shall learn their place in the scheme of things and shall not overstep their boundaries or hierarchy. It is the responsibility of the Trinity God to help mankind. To not accept Christ Immanuel or King Paxhu as God incarnate, is to accept a different Immanuel or a different Paxhu just like the cults who believe Immanuel or Paxhu is not God, so they accept a lie, a demonic lie and they accept a different Immanuel, a different Paxhu.

The world has been corrupted by the devils, and these make it difficult for any person to navigate their lives in a positive and fulfilling way. These have resulted in the prevalence of greed and corruption in business and politics, the spread of violence and conflict in communities, and the erosion of trust and compassion in human relationships. Solving these problems can be done by aligning with God. God's Teaching sometimes can be perceived as contradicting the world's "common ideal," such as you shall love your enemies as much as loving yourself or forgiving those who have harmed you.

The Hebrew Bible, the Prophecies, the Scriptures, and the Gospels which many civilizations have learned are all destined for the arrival of "the Kingdom of God." But even where man's memory fails, God considers the arrival of the Kingdom of God on Earth to be one of the most important events in human history. Christianity is aware of the Truth of God's Words, but their hearts have turned cold. I appreciate some of the Christians' genuine efforts to be obedient Christians. However, stop cutting corners by praying and leaning on God without being the Righteous. You are wasting your time. There is a specific sequence and order of things. The Righteous quality must be fulfilled, then whatever you ask you shall receive.

I AM for peace. But in the Gospel of Mark 13, verse 13, Christianity shall be hated by all for My name's sake. The meaning of the Good News in the Kingdom of God, in the Gospel of Mark 1, verse 15; refers to the Second Coming of Christ as well as to My Reign as the King of Earth. On January, 26th, 2036, I shall become the King of Earth and Reign the peaceful world. In the Book of Zechariah 14, I return to Earth to establish a political Kingdom over which I shall Reign for a thousand years. The chapter 14 describes the "Destruction" of Israel's enemies, the "Salvation" of Jerusalem, and the millennial "Reign" of the Messiah over the whole world. In the Book of Zechariah 14, verse 4 refers to the split of Mount Olivet by My Miracle.

THE RENEW PROCLAMATION OF GOD'S LAW
THE KINGDOM OF GOD

Other 4,200 world religions are all false religions, representing no pretense of following after the God of Abraham, Isaac, and Jacob. The false religions, the atheist and the non-religious have denied My Son of God entitlement. Islam claims to worship the same God, but not. Their god has no Son and is not the Trinity God. Mohammad has never been to Heaven. The Qur'an is manmade. God, the archangel Gabriel or I have never met Mohammad. Islam's god along with gods in other religions are all false gods. If the Allah that Islam warships is the True God as My Father, then My Father and His Words must be above the Qur'an. And Islam shall accept Me as their King. If the Brahma that Hinduism warships is the True God as My Father, then My Father and His Words must be above the Vedas. And Hinduism shall accept Me as their King. If the Kingdom of Heaven in Buddhism is the True Heaven as My Kingdom in Heaven, then the only way to get there is through Christianity Salvation.

As God the Son, the Truth about Me and My Father shall be respected. The world that I AM coming to create for you is a peaceful world. It is the world without false gods, without false teachings, and without false religions. I am fully aware that many are not interested in what I have to say. Why do you think, I insist on telling you this? To make you angry or to save you? I tell you over and over again because I do not wish to see you being punished. From 2036, only the Righteous shall inherit the Earth and there shall be no more room for the enemies of God. The sinner who repents of his sins can have a true and humble relationship with God. On the contrary, the self-righteous person, who himself boasts about his good deeds cannot be the recipient of God's grace and mercy.

THE RENEW PROCLAMATION OF GOD'S LAW
THE KINGDOM OF GOD

The Prophecy “Seventy Weeks” in the Book of Daniel 9, verse 24-27, constitutes the key and outlines the future of the Covenant people of Israel and all the world citizens including all governments in the world. Within this critical TIMELINE, every person shall be required to make an informed decision “to end” their sins and “to accept” Me as their King. The Seventy Weeks shall start from September 23rd, 2027 until January 25th, 2029. If you wish, you shall be given a wonderful opportunity to start over and to receive blessing from the LORD. However, failing to accept Me as your King, failing to repent, failing to observe the second chance, or drifting backward to sin, the LORD shall not allow the guilty to go unpunished. He is slow to anger but is great in power. The enemies of God shall all be eliminated.

THE GREAT TRIBULATION

BIBLICAL WAR

January 26th, 2029 - January 25th, 2036

ANNOUNCEMENT OF FIVE QUINARIUS GOVERNMENTS

January 26th, 2031

By January 25th, 2029, any countries that do not adhere to God shall have their national status revoked. A country that lost its national status shall be administered without its government. Such countries shall no longer allowed to participate in international organizations and events or to be recognized as a sovereign state by the international community. Within the Kingdom of God, the world shall be co-governed by five-world government called the “Quinarius Government” under one Universal Law. This new Universal Law is based on the Law of the Kingdom of God in Heaven. Each of the five “Quinarius Government” shall comprise of rich and poor nations from many continents.

On January 26th, 2031, nation members in the “Quinarius Government” shall be published on quinariusgovernment.com.

I come to save every nation. I come to help their children of their future generations not to be sinned from false knowledge of their previous generations. Today’s generation shall be the last generation on Earth that shall experience hell. My Sovereignty over all nations must meet My Father’s terms. Before January 26th, 2029, world leaders shall come into agreement with God, and their first decision is to accept Me as their King. Those who rejected Me shall be eliminated. It is crucial to fully eliminate them. I AM talking about the countries that are beyond peace talk and unable to converse within a reasonable realm. There is no solution to their objective. They are not going to war to end war. They are going to war in order to keep the war.

To achieve a peaceful world, no one can put their powers above Righteousness. If God continues to allow them to still engage in actions that lead to hell, it is important to recognize the impact these people have on others. When individuals are actively teaching or promoting destructive actions to others, they are perpetuating a cycle of the devil. Their behavior can have far-reaching consequences not just to harm themselves but to harm the rest of the world. People who want their family or their society to be punished in hell shall not be allowed to live under My Reign. It is essential to address and confront these people to prevent further harm.

The Book of Zephaniah 1; the Book of Isaiah 13, and the Book of Deuteronomy 6; refer to the day of God’s wrath where the LORD shows His anger against those who remain God's enemies. A time of distress and anguish is becoming the world reality.

God’s Biblical War is inevitable to end all wars. No government can obstruct God’s path to a peaceful world.

THE RENEW PROCLAMATION OF GOD'S LAW
THE KINGDOM OF GOD

During the Seven Years Great Tribulation period, false religions shall no longer allowed to be practiced. False gods and false idols, in their respective religions, shall all be destroyed.

The Seven Years of the Great Tribulation period represents the transitioning period prior to My Coronation, prior to disregarding each nation's legislation. The Biblical War is prophesized in the Book of Nahum 1. It says the Divine Warrior shall destroy God's enemies. "Your dynasty shall come to an end. I shall destroy the idols and images in the temples of your gods."

The Father's Declaration includes a public warning of their sins to demonstrate what shall happen to the individuals, religions, or governments who fight against God.

The warning is in the form of two Major Earthquakes.

The first Major Earthquake, the San Andrea Fault Major Earthquake in the United States is to occur on April 4th, 2024; and the second Major Earthquake, the Nankai-Sagami Megathrust Earthquake and Tsunami in Japan is to occur on June 23rd, 2024. The two Earthquakes are symbolically forty days before and after the National Day of Israel respectively.

The warning of the Two Major Earthquakes is first given on kingpaxhu.com on January 26th, 2024. Unfortunately, interrupting your life is necessary to get your attention.

All citizen of the Kingdom of God must start with Baptism. No one can see the Kingdom of God unless they are born again. Regardless of your nationalities or religions, the Seventy Weeks of Daniel shall give everyone a second chance to end their sin. From January 26th, 2029, I cannot save anyone (born on or before September 23rd, 2012) who does not want to be saved. That day is the final deadline for Baptism, Repenting, and ending all sins, for those born on or before September 23rd, 2012. Baptism, Repenting, and end of all sins shall be continued after January 26th, 2029, but reserve only for those 15 years old or older who were born after September 23rd, 2012.

This means future generations shall have a Seventy Weeks window after their 15th birthday to Baptize, Repent, and end all sins.

The three topics Christians all need to learn are; the first topic, that God is the Creator of Heaven and the Earth, the story across time and cultures, which is the Truth about our existence and life after death. The Hebrew Bible emphasizes God is sovereign over His creation. He made it and He shall manage it.

The second topic is that Christ Immanuel is your Savior. Christ Immanuel was here to show you how to earn your eternal life in Heaven. And the third topic, I AM King Paxhu, King Paxhu is here to create the Kingdom of God on Earth. Christ Immanuel asked Christianity to Repent and prepare themselves to become Righteous citizens of the Kingdom of God before the establishment of the Kingdom of God on Earth.

My Authority shall be confirmed by God during My Coronation. Every soul is subjected to My Judgment. Heaven or hell is a serious matter. On January 26th, 3036, the living and the dead shall hear My individual Judgment. On that day, the Earth shall be ascended to become part of Heaven for eternity. Remember you can control your destiny within the given Timelines.

LUKE 19:12-14

*Therefore, He said, a Nobleman went to a country far away
to have Himself crowned King and then return.*

*Calling ten of His servants, He gave them ten manim and said to them,
“Do business with this while I AM away.” But His countrymen hated Him,
and they sent a delegation after Him to say, “We do not want this Man to rule over us.”*

LUKE 19:27

*However, as for these enemies of Mine who did not want Me to be their King,
bring them here and execute them in My presence.*

"FALSE TEACHING" Seeks to Divine the Body of *CHRIST*.

The Heart of God's Law is Love, the division of denominations can only represent the opposite. There are 45,000 denominations globally, according to the Center for the Study of Global Christianity. I shall not be associated with the divided Christian community.

In the Gospel of John 17, verse 11, the focus of the Messiah final prayer for followers was Unity, “so that they may be one, just as We are.” Though not present in the creedal pronouncement of the Council of Christianity, all Christian Churches fail the Unification, fail the First Commandment, and fail the Greatest Commandment. *There has never been a united Christianity.*

The Churches' excuse is an accurate reflection that God has not been the Churches' top priority. Manmade beliefs, culture, power, and corruption have been more important than God. God's Words are clear, “there should be no one above the Father and everything else must be secondary.” The Churches cite their struggle with the tension between recognizing that Christ Immanuel prayed for unity, and at the same time trying to maintain its historical manmade understanding of its own role in eschatology.

Heresy, conflict, excommunications, schism, and all-out war have marred the history of the Christian Churches. Even discussions regarding the meaning of the concept of unity and how it is to be accomplished have caused divisions. Sources of unity disagreement are Biblical authority, hermeneutics, presuppositions, ecclesiological as well as the nature of the Church and its authority to interpret Scripture, articulate doctrine, and administer discipline. Throughout history, dedications to Christian Unity went largely unnoticed.

While almost all Christians accept some degree of invisible Unity due to the fact that Christians are united in Christ, still all denominations and followers reject any form of visible Unity. Christianity has been disintegrating at a rapid pace under the onslaught of modernity. It is time to stop being a prisoner of the past.

God the Father, God the Son, God the Holy Spirit, and the Holy Bible (to be reissued) are the foundation of the Churches' Faith, the bonds of union. All who bow to God and the Holy Words shall be in harmony.

The Unification Registration is within Seventy Weeks of Daniel after the Transfiguration of King Paxhu. The operation of the unified Churches shall start on January 26th, 2036, with the true Unity of the Church. This Unity includes the harmonious preaching of the Holy Bible, the renewed interrelationship between the Churches, and the sacraments or rites instituted by Christ Immanuel. Human traditions, that is, rites or ceremonies, instituted by men, should not contradict God's Law or promote denomination problems. It is not necessary for human traditions to be alike throughout the World.

Current shared God's Law comprises some mistakes and there are wide ranges of interpretations that have been advanced to explain these alternative forms - ranging from different editors to a totally different historical development. Another task is to make sure different Scriptures that point to the same series of events or to different events are correctly understood as intended. As to guard against a Doctrinal error, all existing translations of the Christianity Holy Bible in any language shall no longer be a reference point in daily life, but only be kept for historical records. However, the original Hebrew Bible, Christianity's Matthew, Mark, Luke, and John in the Biblical languages, Hebrew, Aramaic, and Greek is to be preserved and continue to be employed.

THE RENEW PROCLAMATION OF GOD'S LAW
THE KINGDOM OF GOD

In order to fully profitable the teaching and training to become the Righteous, the purity of the Christianity Holy Bible shall be Re-worked by Myself to be the God Version and shall be issued on January 26th, 2036. In the God version, there are a total of 30 Books, with 25 Books taking the format and content of the original 24 Books of the Hebrew Bible but also reinstating the Book of Enoch. In addition, there are five Books as part of the New Testament, comprising of Matthew, Mark, Luke, John, and the Renew Proclamation of God's Law.

To help ease through the English language barrier in understanding the Words of God, an official translation into any language shall be done by (only) one of the agreed group of experts. The preferred translator must show competence and understanding of human cultures and understand what binds humankind together and what differentiates them from one another. The preferred translator must know and understand the historical background of the original prophet and the prophecy. Also, the translation demands consistency in applying the literal-grammatical method. No one wishes anyone to repeat the experience of confusion from different translators in a language.

On January 26th, 2036 the sacraments and rites instituted by Christ Immanuel shall be issued while each rite and each ceremony instituted by men from an estimated of 25 million Churches around the globe shall require time for approval and shall be issued by January 26th, 2046. Rites and ceremonies approval is one component under the Unification Registration.

In becoming part of one unified Christianity, all Churches are requested to register with King Paxhu at: unifiedchristianity.com. Registration with completed documents is open from January 26th, 2028 to January 25th, 2029.

While most Christians affirm that "God is the ultimate authority" over the Churches, any Churches that fail the required Unification Registration cannot call themselves Christians or be part of the Christian community.

All Churches' names must be revised for Registration to conform with God's Law. Any Church's name shall be declined if it promotes the worship of men or shows a continuity of denomination problems. This means the submitted Church's name using the name of men (or saints) or the denominations' name, is to be declined. The word "Yaweh," "Jehovah," or "Jesus" shall not be the Church's name (YHWH can be a part of the Church's name) and shall be eliminated from all documentation, website, and from everyday use.

The title "bishop" is for the Vicar of Christ on Earth, the title "archbishop" shall be reserved for the national leader of bishops, while the title "pope" is maintained for the world leader of bishops. A Saint is a title given in Heaven by God to all Righteous men. The title of a Saint shall not be given to men by men.

Church Registration document requirements are to be published on the day of My Transfiguration, September 23rd, 2027, on unifiedchristianity.com.

The code of practices, personnel, roles, and responsibilities of the "Christianity" Churches, organizations, foundations, as well as other "Christianity" establishments are to be published on January 26th, 2036. Certain "Christianity" organizations, establishments, and personnel shall be dissolved by January 26th, 2036. New incorporation shall wait until the new code of practices is to be issued on January 26th, 2036.

Any Churches at the national level that wish to have their existing code of practices considered by King Paxhu shall submit their case with the PDF file of their code of practices on or before January 25th, 2029, via unification@christiansonofgod.com. The email address for general Church affair is church@christiansonofgod.com. Platform christianityofficial.com is planned to be the official website for Christianity and is to be launched on January 26th, 2036.

THE FINDING OF THE SAVIOR IN THE TEMPLE

WILLIAM HOLMAN HUNT

ISAIAH 9:13-17

*Yet the people of Israel do not turn to the One striking them, they do not seek ADONAI.
Therefore, ADONAI shall cut off Israel's head and tail, tall palm frond, and lowly reed in a single day.*

The old and the honored are the head, while prophets teaching lies are the tail.

For those leading these people lead them astray, and those led by them are destroyed.

*Therefore, Adonai takes no joy in their young men and has no compassion on
their orphans and widows; for everyone is ungodly and does evil, every mouth speaks foolishly.*

Even after all this, His anger remains, His upraised hand still threatens.

MATTHEW 7:20-23

*Not everyone who says to Me, 'Lord, Lord,' shall enter the Kingdom of Heaven,
but the one who does the Will of My Father who is in Heaven shall enter.*

*Many shall say to Me on that day, 'Lord, Lord, did we not prophesy in Your name,
and in Your name cast out demons, and in Your name perform many miracles.'*

And then I shall declare to them, 'I never knew you; leave Me, you who practice lawlessness.'

Have You Ever been in a Situation in Which You needed to be Prepared for Something Greatly Important, *"BUT WERE NOT PREPARED?"*

Christ Immanuel asked Christianity to prepare (Repent and practice God's Law) for the Kingdom of God (before Christ's return). I can see that Churches do not teach Christians how to prepare.

The True test of Christianity is not about loving Immanuel. It is about loving His Teaching. The mission of the Church is to prepare the way for the final establishment of the Kingdom of God on Earth. In the Gospel of John 10, verse 35, Christ's Holy Bible that supplies authority for God's people that cannot be broken is the Hebrew Bible (the Hebrew Bible shall contain the Book of Enoch). If Christians wish to know Christ and understand Christ's Teaching, they must saturate themselves with the same Scriptures that shaped and guided the Messiah's life and Ministry. Christ Immanuel was a Jew. Joseph and Mary were Jews. Christ observed Jewish customs and laws. The Book of Enoch has always been the important part of the Tanakh. Unfortunately, the Book of Enoch had been rejected by the Jews because it purportedly contained prophecies pertaining to Christ Immanuel and His fulfillment. The essence of the Hebrew Bible is lovingkindness, but Judaism main essence has shifted to reject Christ. Judaism must convert to Christianity. There shall be no Judaism from 2029.

Satan is a master theologian. He believes in God's existence, and knows more about God's attributes and abilities than most. And, He is the God's enemy. Knowledge in God does not equal the love for God. Christianity theologian is a birthplace of Satan. The cardinals, archbishops, bishops, priests, pastors and Christianity professors shall resign if they themselves do not practice LOVE. Satan cannot take the role of a Vicar of Christ! What would you do if you were in Satan's position and you had only one choice to stop people from accepting the true Gospel? Satan creates false teaching of Christ to make sure Christians remain in their sin. Satan runs the false Christianity that does not want to change or be changed. Contradicting to My Teaching, Christianity today love this world and all it has to offer. No accountability, just do what makes you feel good.

Christ Sermon on the Mount emphasized the true intent of the Law over the letter of the Law. Many Christian denominations emphasize the letter, completely missing its spirit. Many members of Christian scholars and the Churches have proclaimed their self-Righteousness through false-knowledge and longevity of mis-serving God. Many only excel at quoting the Holy Bible. It is important you stop trying to analyze you false. Let's move on. Remember, it is not enough to do your best. You must know what to do, and then you do your best. Christianity is essential for spreading God's Words; but it unknowingly shares some wrong teaching. Some of these mistakes seem comparatively minor, while others are given much greater significance. There are contradicting translations of the Ten Commandments. In the Gospel of Mark 16, the fictitious verse 9-20 were added to make infallible false teaching could not be detected. Sources of other ungodly words include letters, genealogies, court annals, prophetic oracles, proverbs, prayers, and priestly instructions.

Christians' most fabricated literature comes from the Book of Revelation and the Epistles of Paul (14) among a total of twenty-three fictitious teachings in the New Testament, which include; the Acts of the Apostles, the Epistles of James, the Epistles of Peter (2), the Epistles of John (3), and the Epistle of Jude. Regarding false Christ, the Holy Bible refers to every claim of everyone after Christ's Ascension until His return. John of Patmos, the author of Revelation, the final Book of the New Testament, produced one of such false claims (claimed to have met Christ). I have not met this particular John. He was not one of My original twelve Apostles. Christ in Revelation is the false Christ that the Holy Bible emphasizes.

THE RENEW PROCLAMATION OF GOD'S LAW
THE KINGDOM OF GOD

Only the four "Gospel Narratives" in the New Testament shall be kept as part of the Holy Bible. Other gospels in the New Testament shall be disregarded. All authors of these fictitious gospels have never been given the role of a messenger or a prophet from the LORD. The four "Gospel Narratives" Matthew, Mark, Luke, and John present the truth concerning who Christ Immanuel was, who Christ Immanuel believed, the things Christ Immanuel did, and many times the purpose behind why Christ Immanuel did them, what Christ Immanuel said and why Christ Immanuel said it, why Christ Immanuel died and what Christ Immanuel expected to happen as a result of all that. The Gospel of Matthew was the first to be written, then John, then Luke, and then Mark.

The Gospel of John 3, verse 17 says, "God did not send the Son into the world to condemn the world, but in order that the world might be saved through Him." The Gospel of John 3, verse 17 means without Christ, even the Righteous cannot be saved. In other words, the world is now heading toward hell unless Christ comes and intervenes your daily lives. How could Christianity translate that to "Christ died for your sins." Tragic irony.

Paul, the author of Epistle of Paul, who was also not one of My original twelve Apostles, was the false teacher who exhibited the sharpest opposition and persistently disobeyed Christ Immanuel's Teaching. The Epistles of Paul, the thirteen books of the New Testament namely; Colossians, 1Corinthians, 2Corinthians, Ephesians, Hebrews, Galatians, Philemon, Philippians, Romans, 1Thessalonians, 2Thessalonians, 1Timothy, 2Timothy, and Titus falsely teaches Salvation through "having Faith alone." Paul's false teaching of "PROFESS" God's Name, subsequently replaces Christ Immanuel's Teaching of "PRACTICE" God's Words. Doesn't Christianity feel embarrassed betraying Me? I AM embarrassed having you as My followers. Repent. Then I shall not remember your sins.

Paul (falsely) said one can lie or can sin for God's glory. Paul (falsely) said human sinfulness is inevitable or cannot be controlled. Paul (falsely) said one cannot be Righteous by following God's Law. Truly most notorious liar! The fact that a man named Paul could stop Christ Teaching and can convince Christianity to ignore God's Law shall never make sense to Christianity. But in reality, Christianity believes more of Paul, than of Christ.

God can forgive the sins of anyone, anytime, and anywhere. Christ Immanuel forgave the sins of many people before His Death. Nevertheless, under the LORD redemption plan, the LORD has never offered to trade any man's sins with God's Death on the cross. In creating Christianity, God must be born a man, must endure suffering, and must die in order to overcome death. The Book of Isaiah 53 enables Christians to reflect on Christ's suffering, to make sense of their own suffering, to understand the brokenness of their world, and to apply this Truth to their lives. You learn Empathy and Humility through the difficult period of your life. Profoundly, after Christ's Ascension, false teaching has developed an atonement theology that because of Christ's vicarious death alone, anyone who believes the "Gospels" concerning that and trusts in Christ's work, instead of their own meritorious works, should be the recipient of the eschatological forgiveness of sins, even though the "Gospel Narratives" of the four evangelists - Matthew, Mark, Luke, and John, do not speak of this.

FOR YOUR BENEFITABLE UNDERSTANDING, I SHALL FORGIVE THE SINS TO ALL THE OBEDIENT CHRISTIANS
WHEN YOUR HEART IS FULLY CLEANSED OF ALL HATE, BITTERNESS, AND BAD FEELINGS AGAINST OTHERS.

"FALSE TEACHING"
is Wanting Something for Nothing.

At the heart of the problem lies the fundamental question of whether men's misunderstanding shall eventually save them. One of the kingpaxhu.com goals is the Renew Proclamation of God's Law which includes an accurate Re-telling of God's Law to ensure Christians can ultimately be saved.

THE RENEW PROCLAMATION OF GOD'S LAW
THE KINGDOM OF GOD

IN CREATING CHRISTIANITY, GOD MUST BE BORN A MAN, MUST ENDURE SUFFERING,
AND MUST DIE IN ORDER TO OVERCOME DEATH.

**The Most Damaging "*FALSE TEACHING*"
is not just the Misunderstanding of *GOD DEATH*.
But also, the *STOP* Practicing *GOD'S LAW*.**

I AM angry at one thing, that is the theology that kept Christians away from Repentance. The most disappointing quote I heard from Christianity is "People keep going back to sin but Christ can still forgive them. Praise the Lord." Christians shall never quote such rubbish sentences again. If you can sin on your own right, I AM certain you on your own right can stop sinning. Grow up, people! Otherwise, just leave Me alone. The problem with this particular false teaching is that when people believe in the theology that "Christ died for their sins," They are mentally paralyzed. They mistakenly think they are "already" saved and invincible. They falsely think God would save everyone who manages to whisper Christ's name. They falsely think they are good enough without Repenting. Christian scholars and the Churches (of all people) even think King Paxhu is "INSULTING" their God. They claimed King Paxhu was thinking so lowly of "THEIR" God that King Paxhu had taken away the "GRACE" of their God. How could the best professors in Christianity ask Me not to write the Words of God again? How could they suggest that I should spend the rest of My days in a mental institution? How could they say My Word cannot be a Word of Christ? The sad part of this story is that your word dictating your destiny.

The word sorry is not going to save you. Your problem boils down to the inability to feel empathy for others. Such a bunch of idiots claiming to be My followers and do not know what is the essence of My Teaching. Read, re-read and you shall know what to do. My instruction on the Christianity false teaching is a matter of urgency. Christianity shall stop false teaching. Books, dissertations, movies, websites, quotes, signages, clothes, social media, art, correspondents, projects, news, or anything contradict to My Teaching must be destroyed. I want this task completely done by May 14th, 2026. Christianity shall not fail on your first assignment. Christians or Churches spread false teachings beyond May 14th, 2024, their Repentance shall not be accepted. False gods and false religions are the next to be destroyed.

THE PROBLEM IS NOW PATENTLY ABSURD,
WHEN MY WRITING IS PUBLISHED, FALSE TEACHING SHALL NOT BE TOLERATED.

**"*FALSE TEACHING*"
Rejects Correct Teaching.**

FALSE TEACHING AFFIRMS

**"*FALSE TEACHING*"

THE RENEW PROCLAMATION OF GOD'S LAW
THE KINGDOM OF GOD

According to a ComRes survey, half of British self-identified Christians do not believe that Christ died on the cross for their sins. To be clear, those who believe "Christ died for their sins," shall not be accepted into Heaven. Christ teaches that becoming a Christian does not mean you have no Law; it means you serve under the new Law that God gives. Truly, if a Christian wants to be in Heaven, you must learn and successfully practice My Father's Law. Otherwise, how could you fit into a sinless society?

A CHRIST-LIKE CHRISTIAN

Christianity is about actively living a Christ-like life worthy of being called a Christian. Being Christ-like means being a disciple of God who responsible for putting God's Law in ways that make a positive difference in the world, engage with the social and political challenges we face, and be a good citizen in the Kingdom of God. Being Christ-like is about loving God so much that your desire to sin no longer exists.

You know that you are saved by God, by successfully Repent. Put Love, Forgiveness, Humble, and Righteousness into action without wanting anything in return. Christians shall be transformational leaders. Lead by example, invest in others and invest in communities to make positive changes. Love, Forgiveness, Humble, and Righteousness are practice words, stop profess them like a person lacking mental capacity to practice God's Words. Christians stop lying to yourselves. Christianity shall lower your voice but live a confidently Righteous life.

Faith is no longer an essential part of modern Christians; their lives have become a game of expressive individualism they play. Christians have spent their life trying to save everyone. Yet, they have not realized they have wasted their time and efforts in spreading false teaching to the new Christians. And more importantly, they have yet to realize they do not even know how to qualify themselves for everlasting life in Heaven.

THOSE WHO ACCEPT CHRIST

"AS SAVIOR" AND "AS LORD" MUST DEMONSTRATE THEIR OBEDIENCE AND DISCIPLESHIP.

***"FALSE TEACHING" Relies upon
Only on Faith without Meritorious Conduct.***

Lack of self-meritoriousness is ungodly. As the content of this God's Law is read, the Christlikeness of two billion individual Christians is intentionally tested. A test via five hundred emails in 2023 has indicated that tested cardinals, archbishops, bishops, priests, and pastors are "FALSE" Vicars of Christ. These groups of five hundred include members of the world's most prestigious Churches, professors of the world's best Christian universities, and most reputable Christian scholars. The crucial test implies most Christians do not understand Christ's Teaching or the true intent of the Hebrew/Holy Bible.

THE RENEW PROCLAMATION OF GOD'S LAW
THE KINGDOM OF GOD

Any Christian that thinks or thought and one day shall think King Paxhu is a fool. Any Christian that keeps insisting on rejecting My Son of God Divinity despite My repeating warning that their Repentance shall not be accepted; if they have judged Me against My plea.

Your selection process has started since you were born, but on the date of the Proclamation of My Divinity on January 26th, 2024 the specific rule forbidding anyone thinking I Am a fool shall kick start for everyone on Earth. Not just those come into contact with Me directly. Make sure in your thought or to the outer world, you do not curse Me, make sure you do not insult Me, make sure you do not think I AM a fool. Make sure to adopt the wait and see attitude, otherwise, your Repentance shall not be accepted.

Christianity shall wake up from fantasy now. The unteachable stage of your being cannot be the regret story on your dieing bed. God's Words repeat again and again that the sinner, the wicked, and the lawlessness shall be eternally punished in hell. Are some Christians sinner, wicked, and lawlessness? Yes! Are these Christians going to hell? Yes!

My 58-years has tested utmost patience and perseverance. My 58-years of silent articulates My Teaching of not to judge. I do not want Christianity to be a silent citizen by any mean. But Christianity must learn to speak without the words that are contradicting to God's Law.

Christians are living their lives waiting for Christ, longing for the Love that Christ wants to give. I arrive, and I experience the world's rejection firsthand. What does constant humiliation do to a person? Many shows disappointment I AM the Christ. Many disappoint I died to create Christianity, or that I died to teach Love. They preferred I died for their sins. Some feel God's Love is no longer enough for them if they now need to work to be Righteous. The selfish ones pray for Me to proclaim their Righteousness. Many say yes to God, but do not do the things God asks them to do.

The rejection of My Divinity among My immediated Christian communities in "Phuket, Krabi, and Phangnga" is extreme. God's Law on this platform made them angry resulting in them cutting Me off from their lives. These include every pastor and every priest at every church I attended. For those of Christian whose paths have crossed My, you are not Christ's followers.

Those practicing false Christianity, I hope they, one day by themselves, realize and accept they have been wrong. Otherwise, they would not be able to help themselves to the safety of the Salvation.

Changing deeply held beliefs and attitudes can be challenging, as people tend to be resistant to changing their views. The current mindset of many Christians is not ready to interact with Me, and they shall not! Unless they can facilitate self-reflection on their initial position, question their own persistence, and consider alternative viewpoints without feeling defensive or attacked. My series of Miracles shall make these people realize what kind of "BAD" person they really are. Truly, truly, bad!

Christians are full of desire to be saved, but lack action and commitment to do the Will of God. Action and commitment are what God expects. You do not need to be a priest or a nun to demonstrate your personal commitment. When I say, "He who is not with Me is against Me." The Word "Me" also refers to "My Teaching."

To be clear, anyone who follows "false teaching" is not with Me. There is no provision for compartmentalization when it comes to following Christ. Without the action and commitment to practice My Words, I do not consider those profess My Name to be with Me.

THE RENEW PROCLAMATION OF GOD'S LAW
THE KINGDOM OF GOD

False Christian behaviors written in the Holy Bible, reflects the critical stage of Christianity today. Not many Christians realize that these somber Words are their own personal story, story of their own Churches, or story of their own Christian communities.

In the Gospel of Luke 6, verse 46, “Why do you call Me. Lord, Lord, and do not do what I say? As for everyone who comes to Me and hears *My Words and puts them into practice.*” In the Book of Isaiah 29, verse 13, “The LORD says; These people say they Love Me. They show honor to Me with words. But their hearts are far from Me. The honor they show Me is nothing but human rules they have memorized.” In the Gospel of Matthew 7, verse 23, “And then I shall declare to them, I never know you; leave Me, you who *practice lawlessness.*”

Why do Christianity profess My name in your pray, and reject Me in person? What is it that you believe? What kind of Love that I cannot give you? Is it My claim to be who I AM that bother you? Is it Repent that bother you? Or both? What should I say or not say in order for Me to save you? Is My unsugarcoated Words of God that you are reading now the final test before getting the blessing of Christ? Would you allow Me to clean your feet. When would you be secure enough to clean other person feet?

How long shall it take Christianity to admit that you have been wrong?

Christianity learns Christ shall come to judge. Instead of taking advantage of My Words, or asking for My help, many question the Authority God has given Me. A great number of denominations have made Christianity the most selfish religion in the world.

You cannot think of Me as a man like you. A man cannot teach a man on the Godly subject. A man writing the same article shall not be possible. No man can claim to be God! King Paxhu knowledges of His role does not start during this earthly life. I exist with God as the only Son of God before the universe was created. Rejecting My Divinity are failed servants of God, as it says in the Gospel of Luke 12, verse 35-38.

No man is or shall be qualified to discuss God topic. God is transcendent and beyond human understanding. God's thoughts are nothing like your thoughts, just as Heaven is higher than the Earth. God's ways are higher than your ways. God created humans. God knows human limitations. Many of you seek fame, those who seek fame think I AM one of their kind. Truly, I AM not. I AM the King of Heaven. How can the King of Heaven lack a capacity of being a public person? You are from below, I AM from above; you are of this world, I AM not of this world. You shall die in your sins; for if you do not trust that I AM the Son of God. I AM here because you need help. My intention is to save you. My actions may be perceived as harsh, but I cannot comfort you to hell. I cannot help anyone fight against the Kingdom of Heaven. When My offer to help evaporate, you shall be punished for fighting against God. I am at a loss for words to make you understand.

Do not delay your own breakthrough by being certain of your self-Righteousness, or by confusing over one Bible verse to the next, or by testing the strength of your faith over the Words of God. Do not just pray to be saved by God, pray that you made yourselves “READY” to be saved. A Christian's relationship with Christ only starts with Repentance. No exception.

UNDER THESE CIRCUMSTANCES, “FATHER'S TIMELINES” FOR MY TRANSFIGURATION AND CORONATION
DOES NOT REQUIRE ANYONE'S OR ANY'S CHURCH RECOGNITION TO GAIN CREDIBILITY.

It is the Opposite.
Be Humble in Front of *THE LORD.*

MATTHEW 25:31-34

When the Son of Man comes in His glory, and all the angels with Him, He shall sit on His glorious throne. All the nations shall be gathered before Him, and He shall separate the people one from another as a shepherd separates the sheep from the goats. He shall put the sheep on His right and the goats on His left. Then the King shall say to those on His right, "Come, you who are blessed by My Father; take your inheritance, the Kingdom prepared for you since the creation of the world."

LUKE 18:8

*I assure you He shall not delay in seeing the justice done.
When the Son of Man comes, shall He find on Earth men who believe in Him?*

“FALSE TEACHING”

Does not Teach that Repentance is A Requirement for Salvation. Christianity Rarely Experiences Repentance.

“Unless you Repent, you shall all likewise perish.” In the Gospel of Luke 13, verse 5, My point was strong and severe: meaning such shall die without knowing Christ in this life, and in the Gospel of Matthew 25, verse 46, such shall be separated from Christ for eternity in a state of punishment.

To earn an everlasting life in Heaven, first, you must become a Christian by *Getting Baptized*. In Heaven, God knows you before you enter His Eternal Home. Being His Good and Faithful servant is the quality that God is looking for. Particularly the way you love and show empathy to people. And now, I AM expecting you to participate in serving the Kingdom of God on Earth. Christ Immanuel taught that no one can enter the Kingdom of God without being born of water and the spirit. The decision to get a Baptismal Birth must be the person's choice. Children under the age of fifteen shall wait. Anyone who is Baptized before the age of fifteen or who is Baptized without your own acknowledgement must re-Baptize. Children who die before the age of fifteen, the unborn, and those born with permanent mental disabilities go to Heaven. Disabilities are healed in Heaven. A person's inability to articulate faith in the Son of God does not prevent God from saving them. Do not claim your inability, God knows.

Second, *Repenting with Christ* since I have been given all Judgment from My Father. Christ, though no Repentance was due, was Baptized. The first Word of response to “the Good News” in the Gospel of Mark 1, verse 15, that came from Christ Immanuel was Repent. No one can follow Christ without Repentance. Christianity rarely experiences Repentance. Modern Christianity has drifted from the Gospels that I preached, even though I did put the importance of Repentance into a sharp, black-and-white perspective. I said, “Unless you Repent, you shall likewise perish.” In the Gospel of Luke 13, verse 5, My point was strong and serious: meaning such shall die without knowing Christ in this life, and in the Gospel of Matthew 25, verse 46, such shall be separated from Christ for eternity in a state of punishment.

Vital part of Repentance is to Forgive those who have sinned against you. I shall Forgive obedient Christians when your heart is fully cleansed of all hate, bitterness, and bad feelings against others. Repentance requires honesty. You shall be ready to ask Me for Repentance when you have acknowledged your need for Forgiveness and your need for Reconciliation with Me. Only those who have ceased trying to cover up their sin with self-Righteousness and deceit can experience the deep and lasting change that comes through Repentance.

Christianity acknowledges that the sacrifice of “the Passover Lamb” has been fulfilled by the crucifixion and Christ Immanuel's Death. The proven historical event in the Holy Bible, “the Last Supper,” was a Passover Seder meal that Christ Immanuel and His disciples ate on the Passover. However, Christianity's current manmade meaning of “the lamp of God” contradicts the God's intended meaning as in the Old Testament.

The Gospel of John 1, verse 29, says that Christ Immanuel is “the lamb of God” whose mission is to “take away the sin,” not only of Israel but of the world. In the Book of Exodus, Chapter 12, the Passover lamb was to deliver God's people from physical slavery in Egypt, pointing ahead to another Passover lamb that would deliver God's people and ultimately deliver the world from spiritual slavery to sin.

Regarding Christ Immanuel Birth in BC7.

That year there were three great conjunctions of Jupiter and Saturn (Biblically "Bethlehem Star").

Christ Immanuel was conceived during the first conjunction

(the star which the Magi saw for the first time as in the Gospel of Matthew 11, verse 2).

The Magi visited Christ Immanuel during the second conjunction

when Christ Immanuel was 4 months and 10 days.

(they saw the Star for the second time as in the Gospel of Matthew 11, verse 9-10)

Christ Immanuel was on Earth for exactly 40 years.

Christ Immanuel died at 39 years 10 months 18 days.

Christ's bloodline descended from King David through Solomonic lineage. Christ Israeli father "Joseph" was twenty-seven generations from King David. Christ paternal grandfather was Jacob and paternal great grandfather was Matthan. Christ Israeli mother "Mary" was forty-two generations from King David. Christ maternal grandfather is Heli and maternal great grandfather was Matthat. According to the custom at the time, bridegroom (Joseph) chosen his bride (Mary) from among the women of his own tribe. Joseph and Mary were distance cousins. The Book of Isaiah 9, verse 6 says "For unto us a Child is born, unto us a Son is given." A Child was born through Mary and a Son was given, (adopted) by Joseph. Otherwise, one description was enough.

*Look, I AM going to send you the prophet Elijah before the great and terrible day of the LORD comes.
And he shall turn the hearts of fathers to their children and the hearts of children to their fathers.
Otherwise, I shall come and strike the land with a curse.*

MATTHEW 17:2

There He was transfigured before them. His face shone like the sun, and His clothes became as white as the light. Just then there appeared before them Moses and Elijah, talking with Immanuel.

ELIJAH Returned with *MOSES*
at Christ Immanuel Transfiguration in AD33.
Both to Return with *SEVEN ARCHANGELS* and
ELEVEN APOSTLES
On the National Day of Israel.

Elijah pronounces el-EYE-Jah, prophet who has been taken to Heaven without experiencing death.

The seven archangels are Gabriel, Jeremiel, Michael, Raguel, Raphael, Sariel, and Uriel. The Eleven Disciples (without Judas), are Andrew, Batholomew, two James, John, Matthew, Philip, two Simon, Thaddeus, and Thomas. These twenty persons and Me, shall preach the Gospel of the Kingdom around the world before the terrible day of the LORD comes. Through time, Christ Immanuel's Teaching and the Holy Bible's fundamental truths are lost sight of and contradicted. My Renew Proclamation of God's Law, as the below, is to reinstate the purity of God's Law. Book "*The Renew Proclamation of God's Law*" shall become the 30th Book of the Holy Bible.

CHRISTIAN MEANS MESSIAH

The Words "Christ" and "Christian" are derived from the Koine Greek title "Christós," a translation of the Biblical Hebrew term "Mashiach" which is "Messiah" in English. In the Gospel of John, the Word refers to Christ. The Word (Christ) was with God, and the Word (Christ) was God. The Godhead consists of three Persons, God the Father, God the Son, and God the Holy Spirit. The Son is One with His Father. The Son is eternal without beginning nor end.

God created man as a physical being. In contrast, God is a Spiritual Being. God exists outside of time and space. The Father offers mankind everlasting life for Righteousness. The Messiah's main purpose is to reign and rule with God's own Royal Authority and Power over the Kingdom of God on Earth.

For those who are not Christian, My Father's names are "ELOHIM" which means "God," "ADONAI" which means "LORD," and the Biblical consonants of "YHWH" which means "He brings into every existence whatever exists."

My Father's name in Heaven is "PAYH,"
In the Heaven language "PAYH" means "The Father God."

ZEPHANIAH 1:17-18

The LORD warns everyone who has sinned against Him, I shall strike you blind! Then your blood and your insides shall gush out like vomit. Not even your silver or gold can save you on that day when I, the LORD, am angry. My anger shall flare up like a furious fire scorching the Earth and everyone on it.

MATTHEW 16:27-28

For the Son of Man shall come in the glory of His Father and in the company of His angels and then He shall repay every man for what he has done. Believe Me some are standing here today who shall know nothing of death until they have seen the Son of Man coming as King.

THE HEART OF GOD'S LAW

Christ has dramatically emphasized that the Love for God and the Love for your neighbor under the Great Commandments; are the two foundations for the Ten Commandments. This means everything that Christ Immanuel has promised is impossible if you do not Love God with everything and not Love your neighbor as yourself. There is an order to these "Ten Words" of God, which are "Two Words" of charity; these two Words are "One Word" which is Love, Love of God, and Love of neighbor. The first three Commandments pertain to the Love of God, while the following seven pertain to the Love of your neighbor.

THE TWO GREATS COMMANDMENTS

THE FIRST GREAT COMMANDMENT

Thou shalt Love the LORD thy God with all thy heart, with all thy soul, and with all thy mind.

One God exists in three Divine Persons, God the Father, God the Son, and God the Holy Spirit. The First Great Commandment is also the Greatest Commandment of all. It commands you to Love God with all your heart, to Love God with all your understanding, and to Love God with all your strength. Most Christians have failed to fulfill this Commandment due to putting their own understanding above being obedient to the Words of God. Christianity shall not dwell on their misinterpretation of God's death and shall not dwell on any regret resulting from following false teaching. *When you are ready, I shall not remember your sins.*

As part of My research into Christianity's false teaching. My research reflects the lack of love among the tested individuals and communities. All those who tested are antiChrist! By accepting Christ Immanuel but rejecting His Teaching made you antiChrist too. The act of rejecting King Paxhu shall also make you antiChrist. Rejection does not allow Me to save you. It is one of the facts. Not even the Hebrew Bible, can overrule. No one can overrule God. As the future King of Earth, I AM here to help all walks of life by giving everyone a second chance regardless of nationalities and religions. One exception. *Those who think, or thought, or one day shall think I AM a fool; I shall never accept their Repentance.* This Teaching stands firm. Consequently, some people who have been tested by King Paxhu in person in personal circumstances can no longer be saved. Others may also harm themselves by insulting Me; so be mindful of your thoughts when thinking about Me. Your responsible is to be Righteous. If you are the Righteous, you shall have eternal life in Heaven. *Your responsibility is not to curse God or insult God. If you get there, you shall not be saved, your Repentance shall not be accepted.*

CARL BLOCH

MATTHEW 6:1-4

Beware of practicing your Righteousness before other people in order to be seen by them, for then you shall have no reward from your Father who is in Heaven. "Thus, when you give to the needy, sound no trumpet before you, as the hypocrites do in the synagogues and in the streets, that they may be praised by others. Truly, I say to you, they have received their reward. But when you give to the needy, do not let your left hand know what your right hand is doing, so that your giving may be in secret. And your Father who sees in secret shall reward you."

PSALM 14:1-5

Fools say in their hearts, "There is no God." They deal corruptly, their deeds are vile, not one does what is right. From Heaven ADONAI observes humankind to see if anyone has understanding, if anyone seeks God. But all turn aside, all alike are corrupt; no one does what is right, not a single one. Don't they ever learn, all those evildoers, who eat up My people as if eating bread and never call on ADONAI? There they are, utterly terrified; for God is with those who are Righteous.

THE SECOND GREAT COMMANDMENT

Thou shalt Love thy neighbor as thyself.

The most challenging Commandment in God's Law is to love your neighbor as yourself. Christ asks Christians two things, but only some came close to understanding the magnitude of their meaning. First, you must forgive your neighbor; second, you must love your neighbor as yourself. This can be compared to denying your old-self and discover your Righteous-self. To Me, every unrighteous person has an ability to become a Righteous person if they have one quality. That quality is their self-acknowledgment that they too have made mistakes. If a bad person does not realize he is bad, there is no way he shall one day desire to change his life.

The Word "neighbor" literally means every person on Earth, including people from different countries, colors, religions, murderers, prostitutes, and so on. The meaning of "Love" refers to unconditional love without expecting to be loved in return, the same way a mother purely loves her firstborn baby. Christ's death speaks volumes of the true love for followers.

When people question this Commandment, it displays a complete lack of feeling and consideration. Those who question may never understand My answer and may never understand God's Logic. Quick-witted, clever, and sharp are more popular in the world than being kind and helpful. Love and Forgiveness, if given without facilitating any form of calculated return, are today perceived as an act of innocence or naive. *Quoting the Holy Bible is not an act of love.*

Love shall be expanded to everyone in the world, including actively giving help to the world's vulnerable members. Love is the expression of affection; to truly love someone is when that person's needs become more important than one's own. To love yourself fully, one must be on good terms with your past and be positive for the future. The person who is attached and clingy communicates, "I love you and make me happy," while, unconditional love expresses, "I love you and I want to make you happy." Everywhere, there is beauty in humanity, in the world of diversity, everyone is uniquely different. My advice is to learn your ability, know yourself and always love yourself.

When making a decision My advice is not to forget that the more important thing above your need is to be Righteous. To articulate who you are and what you want in the competitive world of today, many people have lost the ability to be humble. To refrain from overly obsessive in your own physical and emotional, you need not to stay trapped in that feeling for long. When you feel disappointed, hurt, resentful, or sad in a situation outside your control, use all your abilities to free your emotions from it. In control of the emotions, focus on changing yourself and stop trying to change others or to involve others. Human relationships can only prosper through commitment, especially when times get tough. Improve on your humility and empathy. To create a peaceful world, commitment shall encompass a relationship with those incompatible with you.

All types of racism are forbidden. These include prejudice, bias, opposition, discrimination, and implicit or explicit social narratives by the media toward a person or communities of people, toward institutional or multiple institutions. I AM not talking about being silent but rather be confident on the solidity of the goodness that you have. Be a good example for the others. Do not participate in the war of words. Race, ethnicity, and sexual preference have important social meanings. The role of racial inferiority or racial superiority in society has changed with time based on sociocultural shifts. With more sensitivity to racism, unintended people are blamed for using simple terms or basic categories in defining and describing race, ethnicity, and sexual preference. This act of blaming and being offended without ground must end. It is wrong. It is also wrong to spread the misconception of number for example number "6," or number "13." People shall stop being superstitious, such a waste of time and resources.

THE RENEW PROCLAMATION OF GOD'S LAW
THE KINGDOM OF GOD

When you make a mistake, an apology to make amends is necessary, but it has no reparation meaning when you repeat the same mistake. There are behaviors that are not Humble in nature which are contrary to My Teaching. These include (but are not limited to); wickedness, deceit, tyranny, bullying, arrogance, cruelty, ridicule, anger, hatred, envy, desire of revenge, oppression, quarreling, and selfishness.

The media or anyone who takes advantage of other people's lives to advance themselves or their careers must also stop. The lack of love and care for others in this circumstance does not please Me. Your work shall be carried out within a given ethical framework. One big communication restriction is many people do not listen to understand, they listen to reply.

Equality means everyone must be Humble and not behave as if they are better than others. Wealth inequality and social class division lead to discrimination against the poor or reverse discrimination against the rich. It can fuel resentment or negative assumptions towards both ends. I would like everyone to recognize that prejudiced attitudes towards both ends only further divide communities and hinder progress. It is important to only form an opinion of a person Righteousness without taking their economic status into account. Successful equality means we successfully give equal value to poor persons vs. wealthy persons based on Righteousness.

The Word "forgive" means not to withhold Forgiveness for any reason. Christianity shall learn from the past, but not dwell on them. If all eight billion in the world today were willing to forgive everyone, nations forgive nations; then the world would never again have to endure the painful reality of war. "Father, forgive them; for they know not what they do." Christ's Words were spoken in the awful scene, while the nails were being driven into both hands and feet. The Words are to teach you to pray for the forgiveness of enemies. Men of the world seek revenge; Christ's followers shall bear reproach and persecution with patience and pray that God shall pardon those and save them from their sins. Christianity must be able to forgive the person who kill them, if any. Otherwise, the ones who failed to forgive shall not make it to Heaven.

When the Vatican City and Harvard University refuse all communications with Christ, what chance does the world have of Salvation. I named the two names because I want to change the world's culture in planting the seed of love, humility, and forgiveness. I would like them to shift their teaching, their curriculums to love, humility, and forgiveness. This is not a blind optimism that ignore the enormity of the task. I believe Vatican City and Harvard University know how to get there having earned respects and being role models for the world. I would like them also to reissue guidelines in their communication standard so other Churches, other Universities, and all industries can follow or improve upon.

Issuing a piece of paper or a set of rules is not enough. But the Vatican City and Harvard University are to lead by example, to walk the talk. My wish is to see no rudeness, more patience, more humility, more love and show sincere respect to the public and within the Institution. All external and internal inquiries or communications shall be treated as important regardless of whom they are dealing with. All inquiries shall be answered with humility, empathy, and kindness. Stop judging or prejudging others. Apply sensitivity in choice of words or actions while dealing with the general public, colleagues, students and maintain a good role model in dealing with someone who does not share the same beliefs and values.

It is time everyone is to co-create a peaceful world that we want to live in. Our level of success relies on our collaboration and commitment.

Love, humility, forgiveness, and apology are action words that must be practiced, not profess. To create a peaceful world, love, humility, and forgiveness shall be the seed everyone plants for future generations. Lovingkindness can only blossom in the lovingkindness societies. Rudeness can be perceived as a norm in some cultures and that rudeness need to change to politeness to be in line with the other part of the world.

MICAH 5:10-15

The LORD says, "At that time I shall take away your horses, and I shall destroy your chariots. I shall destroy the cities in your country. I shall pull down all your fortresses. You shall no longer try to do magic. You shall have no more fortunetellers. I shall destroy your statues of false gods. I shall pull down your memorial stones. You shall not worship what your hands have made. I shall destroy the Asherah poles and your false gods. Some nations shall not listen to Me, but I shall show My anger and get those punished."

ISAIAH 9:6-7

This shall happen when the special Child is born. God shall give us a Son who shall be responsible for leading the people. His name shall be "Wonderful Counselor, Powerful God, Father Who Lives Forever, Prince of Peace." His Power shall continue to grow, and there shall be peace without end. This shall establish Him as the King sitting on David's throne and ruling His Kingdom. He shall rule with goodness and justice for eternity. The strong love that the LORD All-Powerful has for His people shall make certain this is done!

Just as a Loving Parent Lays down Ground Rules for His Child to Follow, and for His Child to Lead *A SAFE* and *SUCCESSFUL LIFE*, Every Man is to Obey *GOD'S LAW*.

Three thousand three hundred years ago in Israel, My Father gave Moses the Ten Commandments to help mankind lead their lives with regard to their relationships with Him and each other.

The Ten Commandments were a positive expression of My Father's Will, the Father bestowed each of the Ten Commandments "in the form of a summary." A summary as God Himself says in Exodus 20, while Deuteronomy 5 tells how Moses taught the Israelites with suitability to their specific needs and circumstances at the time of their given. There are many mistranslations that have departed completely from this timeless Moral Guideline of the Exodus 20, and there are also numerous contradicting mistranslations.

Some people have rejected the Ten Commandments purely by not understanding and by not being able to making sense of the specific purpose of Deuteronomy 5 and some people went as far as claiming that My Father has contradicted Himself between Exodus 20 and Deuteronomy 5. Some people even claims that My Father is an outdated God regarding the Words forbidden coveting of slaves on the modern-day Holy Bible. These are false opinions from deceitful hearts who in this life shall never know the Spirit of Love. They always find their own excuse, voice their stupidity, create their own understanding in order to neglect God's Law.

Christ condemned people who considered the experience of pleasure to be the pinnacle of happiness. Today, only some have given careful attention to the Ten Commandments. I AM Re-giving a clarity on the Ten Commandments, as elaborated below, in a way that is relevant to today modern society while considering the world current conditions and circumstances in which you live in and how the Principle of the Ten Commandments shall be applied in your daily lives.

THE TEN COMMANDMENTS

THE FIRST COMMANDMENT

I, Adonai, AM your God: you shall have no other gods besides Me.

The First Commandment is about the Truth of our universe; My Father created it. This command clarifies the significance of the wholeness and the oneness of the Trinity God. Another critical point here is to set priorities. No one should be above My Father, and all else in people's lives must be secondary. No other god has ever existed. There is only one Heaven, where I AM the King. Those who I deny entrance to Heaven shall go to hell. Concept of incarnation and nirvana does not exist. Only I have incarnated, that is to save mankind.

THE RENEW PROCLAMATION OF GOD'S LAW THE KINGDOM OF GOD

The First Commandment forbids denying, or not worshipping and glorifying the true God, as God, and giving that worship and glory to any other which is due to God alone. In the period when this Commandment was first given; people worshipped many gods such as Mammon, Baal, and Moloch. These were gods of money, lust, and cruelty respectively. In Christ Immanuel time, Israel still had similar problems. Today, all 4,200 religions outside Christianity, Judaism and Zoroastrianism are false religions worshipping false gods.

The first verse of the Hebrew Bible is in the Book of Genesis 1, verse 1, "B'Reshith Bara Elohim Et Ha-Shamayim V'Et Ha'Aretz," These Hebrew Words translate into English as: "In the beginning God created the Heaven and the Earth." This is the first intervention of God outside Himself, an action ad extra, outward. Then the first Book of the Hebrew Bible lists the rest of the natural elements: light and sky, waters and stars, plants and other beings alive, man and woman. It is the passage from nothingness to being.

It is essential that no man in the world can or shall challenge Christianity, and no man can quote the Father or the Son or the Holy Spirit in any other religion or belief, except in Judaism and Zoroastrianism. When names identical to the name of the Father or the Son or the Holy Spirit have already been quoted in the past in other religions outside Zoroastrianism and Judaism, no action is necessary. I shall assume they are merely coincidences. If they are not coincidences, then they are serious insults to God. Such insults mean their Repentance shall not be accepted. When any man claims or uses God's name to spread lies, only means he is insulting God or pretending to be God.

The Gospel of John 1, verse 3, "Through Him all things were made; without Him nothing was made that has been made." King Paxhu is the second person of Trinity. All creation has a trace of God the Son, according to God the Son, to the eternal Word. Under God's Redeemer Plan, God has created the Christianity Religion for Salvation purpose. Any man who wants reconciliation with His God, can only be done through the Son of God.

THE SECOND COMMANDMENT

Do not make for yourself a divine image.

The Second Commandment was a new perception launched during the era of Moses. At that time, Hebrews had started worshipping a golden cow they had designed and disregarding the blessings of God. Christ Immanuel stated that; it was not permissible for a human being to only love money, family, his body, children, friends, titles, pets, and even angels or saints.

No one, no other gods come before Adonai.

Putting God first or seeking God includes putting God's Words above your need. A good citizen in the Kingdom of God shall fulfill societal responsibilities, respect God's Law, actively participate in civic affairs, and contribute positively to the community.

This particular Commandment forbids all devising, counseling, commanding, using, and worshipping of any others besides God Himself. It prohibits an individual from committing idolatry by creating images, pictures, and idols and worshipping them. These include the making of any representation of feigned deities, superstitious devices, corrupting the worship of God, adding to it, or taking from it, whether invented and taken up of themselves, or received by tradition from others through antiquity, custom, devotion, good intent, or any other pretense.

THE RENEW PROCLAMATION OF GOD'S LAW THE KINGDOM OF GOD

Those who sin regularly falsely believe they are a “good person.” People who want to follow worldly materialistic affairs are mainly opposed to this command. They dislike the concept of Divine Being and dislike the idea of worshipping only God and ending the worship of ungodly things. In the commercialism world, people of all ranges of income are immersed in earning money, social networking, collecting wealth, making friends and having no time for God.

Those who worship money fall into the temptation of foolish and harmful desires, for worshipping money is the root of destruction. Overpricing or excessive profit is one type of worshipping money. Money should only be kept as a facilitator for the goodness of the world. I do not want to see Christianity financing a war. Government's weapon of war budget shall be spent on solving the world poverty.

Controlled consumption of wine (including sparkling wine or champagne) is allowed. Getting drunk, or immoderate use of wine, is forbidden. Consuming all other alcohol drink (it is neurotoxic), all drugs (narcotic), and all type of smoking is not in line with this Commandment. Tattoo and piercing are not allowed. All excessive passions are forbidden including altering the physical sexual characteristics to match the preferred identity. Humankind is either a man or a woman, which is determined by different sexual genitalia. In case of uncertainty (including trans or sexual determination in sports) the male or female pelvis types shall prevail. All men and women must accept their birth sex. Your masculine or feminine sense of self shall match your birth sex. The transexual or any person who has undergone gender reassignment shall convert back to their birth sex. Use of medication in cosmetic surgery is allowed. Change in appearance, body, hormone, name, or legal identification marker to convey and affirm your internal experience of gender is forbidden.

This Commandment also forbids addressing someone using gendered terms that differ from their birth sex or using that person's preferred pronouns addressing themselves or someone else that differs from their birth sex pronouns. What people in the world get the wrong on their “RIGHT” is to avoid, to soften, to fight against, or to pay their way out of the consequences. You may be able to fool yourself that you can avoid the consequences while you are living. But in the reality of all existence, punishment shall become your eternal reality. I AM the person in charge of making sure everyone is facing their consequences. There is no way to escape from hell. You need to rewiring your brain to acknowledge and accept the consequences of your actions and need conscious effort to develop a responsible and accountable mindset.

THE THIRD COMMANDMENT

Do not utter the name of your God Adonai for empty purposes.

The Third Commandment asks you not to mention My Father's name unnecessarily. Prayer, group prayers, and worship shall be in spirit and truth and, if possible, shall be kept away from the public. Pray and worship can be done for all three persons of the Godhead. Worshipping the Father, the Son, and the Holy Spirit shall be accomplished through serving God in all activities in life; including architecture, art, engineering, fashion, fellowship, finance, generosity, healthcare, law, literature, marketing, movie, music, obedience, politic, technology, et cetera. However, one shall refrain from making music, singing, dancing, using multimedia, or using a telephone at Churches, Temples, and other Holy places. Sound of silence in all the Holy places shall be maintained, again, without any form of music display or any type of commercial activities.

It is crucial for Christ's followers that the LORD who is in secret and their relationship with Him shall also be in private. No man shall change God's name. Father considers all God's names to be Holy. The consonants “YHWH” were used in the past, to remind people to say the Word “Adonai” which means LORD in place of the Father's name “Elohim.” Jehovah is not My Father name. “YHWH” is a breathing sound and was never intent to be pronounced. “YHWH” shall be read as “Adonai.”

THE RENEW PROCLAMATION OF GOD'S LAW THE KINGDOM OF GOD

One of Christ's Israeli names is Yeshua. You shall not shift Yeshua name to Jesus. Simply a different name, a different pronunciation and definitely not Aramaic. Jesus is derived from a series of letter limitations in Greek, Latin, and English. The world of literature, the sound of names shall not be altered in translations because names are considered proper nouns, and proper nouns are typically not translated. The name Yeshua is an important identifier for Me and is deeply rooted in My cultural and personal significance. Altering the sound of Yeshua has led to a loss of meaning, cultural context, and personal identity. It is disrespectful and inappropriate.

My Heaven name "Paxhu" and all of My Father's names shall not be name for any man. Also, the Word "Oh My God," "God damn it," "Holy Shit," and "Jesus Christ" have become popular swearing words, and many other God's names have been used in commercial enterprises. Such actions do not conform with this Commandment. You shall not dishonor God's name.

THE FOURTH COMMANDMENT

Remember the Sabbath Day to keep it Holy.

The Fourth Commandment asks to keep Holy the Sabbath Day. The Commandment forbids change, tamper or modify God's creations.

Many assume that observing this day means doing nothing. On the contrary, you must concentrate on your spiritual relationship and connection with God and study God's Law. The Churches service on the Sabbath shall exhibit and manifest the Love and encouragement to Churches goers, their families, and others. The Sabbath day directly references that the Father took six days to create Heaven and Earth and then "rest" on the seventh day. Baptism can be on any day of the week.

The Creation days in the Book of Genesis 1 is not 24-hour days. The Hebrew Bible does not convey the age of the Earth in the Creation account. The Hebrew Bible downplays the significance of time concerning the works of the LORD. Passages such as the Book of Psalm 90, verse 4, indicates that God's time frame, before the Heaven and the Earth were created, is different than yours. During all of Creation, one God day is equaled to 700 million years. The Earth was created 4.2 billion years ago. The age of the Earth however is currently 4.55 billion years. The Earth was designed and created to be 350 million years old at birth. In order for mankind to see stars, and to witness God's glory in creating diverse and endless universe; the sun, the moon as well as billions of stars in each of the trillions of galaxies were created on the fourth day with a wide range of various ages. The oldest galaxy was given 10 billion years older than the Earth at birth taken into account the speed of light. Which means all the galaxies can be seen from Earth at the time of their birth.

The physical universe has one intelligent species, mankind, whom shall continue their relationship with God. Mankind shall inherit the Earth. There is no life outside Earth. The first mankind, Adam was created 6,000 years at the end of the sixth day. Adam was created to be 21-year-old at birth. The physical realm which everyone lives in is a confirmation that God cares for mankind. The scientific evidence provided by the universe can lead someone to a personal search for the One who created it.

The LORD created clean food for all men through all animals and all plants. Only animals "moving" when man decided to eat them were acceptable. Providing that all things are natural, it is clean and permissible to eat, and it is your personal or cultural preference of what to consume. One exception, do not eat flesh with its life-blood in it. Other forbidden under this Commandment are genetic modification of plants or animals, artificial ingredients, artificial smell, or artificial flavor.

THE RENEW PROCLAMATION OF GOD'S LAW
THE KINGDOM OF GOD

Again, this Fourth Commandment forbids change, tamper or modify God's creations. For example, natural sparkling or carbonated water are allowed, the seltzer water that is artificially carbonate with carbon dioxide is not. Artificial sweetener is not allowed (increased risk of metabolic dysfunction and effect the gut microbiome and glycemic control). Children shall be naturally conceived by married couples. Birth control and children produced through In Vitro fertilization are forbidden. This Commandment limit organ transplants to those come from another person and prohibits the use of laboratory-grown tissue or organs. The use of computer chip-related implanted is not allowed. Virtual Reality are forbidden. The command denies technology misused and exploitation. Regardless of being contradicted or not to the God's Law and the Principle of Righteousness, the use of Artificial Intelligent is not allowed.

Christ emphasized that the LORD created this magnificently beautiful world for your dwelling place, and God created man and woman with a collection of senses to take it in and enjoy it through growth, experience, desire, belief, emotions, ethics, support, and diversity of choices. On average, children laugh 150 times a day while adults laugh only 6 times a day. Be more like a child. The LORD's creation also is purposefully designed to reveal God's existence and character. My Coronation is on the Sabbath Day. The LORD's Day or the Sabbath Day is "*Saturday*." The main service at the Churches shall be compulsory on Saturday.

THE FIFTH COMMANDMENT

Honor father and mother.

The Fifth Commandment, honoring your father and mother does not need to be commanded. Parent(s) does not need a command to Love their children, and children shall not require a command to Love their parent. This is, however, not a norm in some societies. In creating mankind, the family was built into the fabric of creation from the beginning with Adam and Eve. They were given the mandate to "be fruitful and multiply." However, the important capabilities belong to women in the task of being fruitful, multiplying, and filling the creation. It is woman who bear children.

In Heaven, being an obedient child is a virtue and is highly valued, The Kingdom of God culture emphasizes on filial piety and honoring your parents. In the Book of Genesis 2, verse 18, "It is not good for the man to be alone. I shall make a helper suitable for him." There were many other Words lost in the Holy Bible translation, and the Word "helper" is one of them. Helper is "ezer" in Hebrew, this Word appears in the Hebrew Bible often in reference to God, often when He is delivering His people and often in parallel with Words denoting strength or power. In some instances, ezer is a Word with military connotations; the ezer is also a warrior. Helper in the Book of Genesis, help comes from one who has power and strength to provide it.

God created both men and women to play equal roles in nurturing children, and both equally play the chief role in establishing communion of human society. Despite few differences across human cultures, all children shall show honor, love, and fidelity, to their father(s) and mother(s), respect their authority, submit to their good instruction and correction, with due obedience and patiently bear with their weakness and infirmity. Honoring your parent does not stop when you turn eighteen. Although how a child honors his or her parent has changed from Moses' days, the prohibition of disrespect, dishonoring, disobedience, stubbornness, rebellion, scorn, cursing, and mockery toward parents remains.

The potential of children has been hindered by selfish and insensitive parenting. Bad parent has been the responsible entity for teaching their children to sin and bad parent is responsible in getting their children to hell. Today's family structure is worse than the blind leading the blind. Only when the parent is in alignment with God's Law then children can be saved. You shall not have a child until both parents have become the Righteous.

THE RENEW PROCLAMATION OF GOD'S LAW
THE KINGDOM OF GOD

Today, Chinese cultures exhibits one of the best parent-child relationships. Throughout its history, its parent-child relationship is deeply rooted in respect, loyalty, and filial piety. From a young age, children are taught to honor, obey, and to prioritize parent's well-being and happiness above their own. Parent, in turn, is expected to instill in them moral and ethical values. In other cultures, a parent-child relationship shall be a central aspect of daily life, prioritizing strong family bonds and providing emotional and financial support.

When you are caring for the children under the age of five, observing your children crying pattern shall be practiced. To be effective, it is important parent shall maintain their observation without children knowledge. During the observation, hugging your children when their level of crying is less intense as a form of encouragement and approval, and on the contrary parent shall refrain from interacting with their children when the level of crying intensity is increase. Parent shall be mindful during the observation, kind but firm. Generally, do not to get emotional or upset. Adult shall maintain being the role model for their children.

Training young children (less than 15) to be independent when a child experiences fear is not what a child need. Parent of very young children (less than 5) shall increase their children capacity to sooth themselves from crying. And to sooth themselves to sleep without a rocking motion or feeding. Night feeding shall fade out after 12 months. Children under the age of 15 years old shall be allowed to sleep with the parent until they are ready mentally to sleep alone (or to wake up alone with possible nightmare).

Teaching young children does not have to be complicated with unnecessary expert assessments or milestones. Diagnosing children with learning difficulties should not be allowed. Children need their childhood. Children, same as adults, should learn at whatever pace they like. Children's ability for self-control and consequence base learning should be encouraged. Again, not to be diagnosed. From the age of 5 children shall be given the task of critical thinking, learning different tasks that require a longer period of time to solve and require a series of answers that shall be solved in a right sequence (10-20 mins). No one should be a victim of misdiagnosis (by medical organization) or unnecessary medication (by pharmaceutical industry). Parent shall not worry about children's inferior capacities in learning. Parent shall not spend unnecessary time and money to improve their children's inferior learning capacities. What is wrong is the way the schools teach them. Societies shall stop labeling, judging, criticizing, or misdiagnosing a healthy mind when an individual does not conform to societal norms. When someone does lack mental capacity, it is so obvious and everyone in the world knows. But if there is doubt or an expert opinion is required, then that person mental health is still within the realm of being normal.

Preparing your children on the "PRIORITY" that one day they can live successfully without parent is wrong. It means both the children and the parent learn to accept family separation as norm. Love between parent and their children shall never die (even long after one party's death). The love and forgiveness between the parent and their children cannot be secondary to any agreement, disagreement or circumstances. Parent should always believe in themselves that no matter what their children do, they shall be able to always love and always forgive their children. Also, children shall be able to always love and always forgive their parent. A family shall together "prioritize and value" the limited time of their (together) life. Learning to bridge a generations gap and learning to bridge individualism within each family shall help creating a Compromising Society.

Children under the age of 18 years old shall be allowed sleep over with friends providing they have parent's consents from both sides. Children under the age of 18 years old are not allow to live without parent or without guardian care and responsibility. Children under the age of 18 years old or the parent cannot mutually decide or independently decide for a child to live without parent or guardian care. The children's right rests with their parent until they are 18 years old. Underage works shall not be exploited. Child abuse is forbidden. Children's income shall belong to the children, however, whatever belongs to the parent shall belong to the children. Child abandonment and terminating pregnancy are forbidden. No exception.

My advice for all parent of the world today is that all parents shall wait to have a child after the end of Great Tribulation Period. It is the biggest injustice to bring a child into the war.

THE RENEW PROCLAMATION OF GOD'S LAW
THE KINGDOM OF GOD

No government shall have a right to renounce the citizenship of its citizens. All governments shall promote love and forgiveness. Governments shall do all they can to ensure that every citizen enjoys all rights and privileges in life, personal, and social dignity, and equality of opportunity in all aspects of human activity, particularly minorities, widows, orphans, and other disadvantaged souls. The government's policy of not issuing birth certificates to abandoned children or not issuing national identifications (or issuing incomplete identifications, i.e. no family names) to anyone born in their country contradicts this Commandment.

THE SIXTH COMMANDMENT

Do not murder.

The Sixth Commandment is a short statement. This brief Commandment is translated as “Do not murder.” The sins forbidden are all, taking away the life of yourselves or others. One exception, an unavoidable accident, is “kill,” not “murder.” The Commandment relates to honoring the integrity of life. The Father’s command is to “live at peace with all men and never consider your anger against any man justified.”

The Scribes and Pharisees of Christ Immanuel’s time reduced murder to mere physical killing. Christ, however, denounced any form of personal anger. The proponents of “righteous anger” claim that anger is an instrument of justice if adequately used. They argue that “a life without it” promotes injustice. They appeal to its psychological or social expediency, thus allowing room for personal righteous anger that should be kept. Both latent and patent anger are wrong in the Judgment of God. These include forms of anger that receive societal approval as benign and overtly denounced as derogative and destructive. Anger is the prerogative of God. It is God’s punitive response to human sins.

Vindictive measures, which justify personal righteous anger when thought to be for a good course, triggered by the right cause, lasting for the right duration, directed to the right target, and released in the right amount, contradict this Commandment. Justice mechanisms derive their structure and power from law, policy, and regulation made by the government are not always in line with this command.

The right of the people or the right of the government to keep and bear arms is not in line with this command.

When the courts operate under anger, they do not serve as a forgiving agent of God. The death penalty shall be abolished. Autopsy is allowed. Engaging in war and genocide activities is forbidden. Neglecting, withdrawing necessary means of preserving life, or committing suicide (aided or unaided) is forbidden.

THE SEVENTH COMMANDMENT

Do not commit adultery.

The Seventh Commandment forbids adultery because adultery destroys relationships, marriages, and families. Adultery refers to the act of “a married individual” or “an individual in a romantic relationship after engagement” having sexual relations with someone other than their spouse or with a third person, or vice versa. Christ described that you should not be unfaithful to one another once you are committed to Love.

THE RENEW PROCLAMATION OF GOD'S LAW
THE KINGDOM OF GOD

When you fall in love with someone, you are not interested in anyone else. If you are, you are not in love. As a person, it is not necessary to be married with someone.

The Father forbids fornication or sex before engagement or marriage, sex with a close relative, sex with a woman during her period, sex with an animal, sex with a corpse, rape, sexual activity without consent, sexual activity with a person who lacks mental capacity or is under the influences of drugs or alcohol, sexual activity with a transexual, sexual activity with a cross-dresser, sexual activity with a mental disorder, sexual relationship with your adopted child (regardless of age), child sex (under 18), indecent photographs of children and of adults, sexual trafficking, threesome, group sex, orgy, and sex toys.

Natural nude photographs of any person are forbidden except of a child younger than eight years old. All types of sexual exhibitionism, including sharing nude photos, and engaging in sexual acts in front of others in person or via camera, are forbidden. For the married and the engaged persons, the act of wanting to have intercourse or imagining the act of sex with someone who is not your spouse or your fiancée is forbidden.

Some fictitious Epistles, wrongly promoting sexual harassment against women and forbidding female roles in the churches. Christianity is guided by love where men and women can become priests and popes. A priest or pope can have a romantic relationship, get engaged, or get married. Humans are all created in the image and likeness of God, and acknowledging the beauty in other people is not wrong. The Father plans that marriage is intended as a lifelong, faithful union of a man and a woman. A woman is built from a man's side to bring life and communion. The Biblical account emphasizes not the difference between man and woman, but the depth and love of their one-flesh union. Same-sex co-parenting is allowed for the benefit of a child, even when no romantic or no sexual relationship between two parents is engaged. Same-sex relationships are allowed up to the engagement. However, same-sex marriage is forbidden.

In Christian marriage, you swear an oath, calling on God to deliver greater weight and assurance to your promise to keep you accountable for those promises. "Vows are taken seriously by God." Swearing an oath shall not be allowed from now on for any activities. In marriage, a husband is responsible to provide financial support for the family. A wife does not have to get a job. In case they both have jobs, both a husband and a wife must share their income. Divorce is not acceptable once a marriage has been consummated. No exception.

Divorce destroys everyone in the family, especially the life of a child. A divorced couple shall be remarried. Remarriage to a new partner is not allowed. Christ Immanuel advice to the remarried and first-time married person who married a divorcee was to dissolve their marriage. They could maintain the same family structure after such dissolution, especially when a child or children are in the arrangement. Again, no romantic relationship, no sexual relationship. Engagement is an alternative form of long-term romantic relationships. Break off an engagement or re-engagement is allowed. Engagement and marriageable age are 18 years old. Forced engagement or forced marriage is forbidden. Engagement or marriage is not for everyone.

Escort service, prostitution, online sex, online dating, online chat room, gay bathhouse, and porn are not in line with this Commandment. The use of digital technologies has shifted prostitution from brothels and striptease clubs to consumers' own home, advertisers' flats, hotels, agencies' premises and erotic message centers. Platformization has concealed the prostitute chain of organization. All are forbidden. Video on demand service and social media network allowing content creators to upload videos and garner subscribers to their content. If such content contradicts God's Law or contains sexual content is not permitted. Temporary cross-dresser for entertainment purposes is allowed.

Heterosexual, homosexual, bisexual, and masturbation are normal. Preference in sexual orientation of a person can change from time to time when a person is not in a relationship. Different sexual orientations are all equal and shall be treated equally.

THE EIGHTH COMMANDMENT

Do not steal.

The Eighth Commandment is “Do not steal.” In Moses’ time, My Father forbade stealing all things that belong to others. In a Barney survey taken several years ago, 86% of adults claimed they satisfy entirely God’s requirement regarding abstinence from stealing. In today’s world, the Father forbids much bigger ground; He forbids injustice of any kind including corruption, cheating, copyright violation, gambling, slavery, and any law, policy, and regulation contradicting God’s Law. This Commandment is a source of contract law principles requiring conformity between Words and actions, between a promise or pact and its execution.

The examples which contradict to this Commandment include; taking public land; allowing any offender to avoid consequences by bribery or connection; swindling your neighbor by a scheme made to appear legitimate; fraudulent merchandising; counterfeit money; human trafficking; organized crime; usury excessive interest (including bank mortgage); excessive advertisement (social media/algorithm); exploiting a lack of education (predatory loan, unfair financing condition, or transfer an legal contract to the illegal organization); making a false promise that hurt the people you are claiming to help (casino); bid rigging (the corrupted government or state own enterprise), slacking off at work, propaganda and fake news. Overpricing (far above inflation) has become a key factor in the world's poverty problems.

Gambling and lottery are forbidden. Gambling outcome is determined by a player’s skill, strategy or knowledge of the game being play. Lottery involves no skill or strategy determining the outcome, but both are wanting something for nothing. Lottery is not allowed, despite the lottery’s regulator not participate in the games or the revenue generated in lottery game are used for public projects and programs. Online travel agency for hotel, airline, and rental car booking shall no longer allow to provide service without offer direct contract between the customer and the provider. The current business model in the online travel worlds is robbing the world by charging the provider as much as 30% as a middleman. This type of middle man services without a direct contract to the provider to guarantee deliver are contradict to this Commandment.

One shall prioritize saving money before purchasing goods in order to accumulate enough funds to cover the full cost of the item. Payment in installment or by mortgage shall be avoided, but allowed. This approach can help individuals avoid getting into debt or paying high interest rates associated with buying on installment plans. If the borrowers could not honor the contract, the lenders shall forgive the borrowers. The borrower, however, shall not make it to Heaven, if they have not completely given back what belongs to others. For security, the borrower shall seek insurance to repay on their behalf.

High interest rate in mortgage, auto finance, or others loans are forbidden. Established loan providers and financial institutions inadvertently enable illegal vendors to facilitate illegal services through or within the provider/institution’s reputations. Sometimes the providers/institutions transfer the mortgage/finance/loan contracts to illegal entities to illegally represent them in case of nonperforming contracts. This is not acceptable. Governments, financial institutions, credit card providers, and debit card providers fail to have necessary measures to prevent or detect illegal transactions. They rely on customer complaints and refunds. For example, credit/debit card providers allow online gaming companies to steal parents’ credit/debit card information. Credit/debit card providers allow unauthorized retailers to provide fraudulent betting services. Credit card service is spending money without having money, it shall be abolished. Cash, debit card, stored value card, bank transfer, cash, paper cheque, eCheque, money order, and digital payment including cryptocurrency are allowed.

Under God’s Law, a person’s individual liability or a person’s corporate liability as a member in a corporate organization are identical (full responsibility). False accounting is sin. Corporate organization operates with two sets of accounting is forbidden. Corporate organization can no longer be a birth place of Satan.

THE NINTH COMMANDMENT

Do not speak lying words against your neighbor.

The Ninth Commandment forbids false witness, perjury, rash judgment, slander, defamation, calumny, and lying against your neighbor. This includes flattery, adulation, or complaisance, especially toward the achievement of illicit advantages and also the gravity of which is measured by the truth it deforms, the circumstances, the intentions of the one who lies, and the harm suffered by its victims.

My Father wants you to be concerned about the whole community's well-being, and He wants you to realize that personal untruthfulness harms the whole community. False testimony hurts the entire community. This is a serious command; lying do not just hurt, they kill (murder). Lying have become more common today. They happen so much. They happen all the time. The decline of society's morality is on public display more than ever. Justice system around the world has to put so much effort, research, and analysis into technology to detect if someone is lying. The article in Christianity Today asserts that 91 percent of those surveyed lie routinely, 36 percent lie about important matters, 86 percent lie regularly to parents, 75 percent to friends, 73 percent to siblings, and 69 percent to spouses.

The world's tolerance for lying is going in the wrong direction. Americans overall grew more accepting of lying in politics. When asked, "If you agree with a candidate on most issues, yet believe they are sometimes less than honest and would lie to cover up the truth, should you still vote for that person or should that be a deal breaker for such," 36 percent of respondents said they should still vote for the candidate, compared to just 32 percent the year before. It is time, everyone stops supporting lying.

Regarding gossip, rumor, or slander; everyone probably has experienced their harm before. Whether the people talking did not mean direct harm. Still, the result can be broken trust and hurt feelings. These can destroy marriage, reputation, honor, jobs, wealth, and family.

Many websites have successfully normalized and promoted lawlessness, as well as successfully harbored unacceptable ways of life. I cannot believe this is a world you live in. No shame and it is getting more absurd. The Internet is the place where "good" and "bad" are falsely seen as equal. Bad people successfully have their opinions heard, accepted, and popularized online.

For example, specific medical associations and pharmaceutical lie about the imbalance of chemicals in the brain in diagnosing mental disorders, even though most researchers however refute the chemical imbalance theory. Disregarding the absence of the proven chemical imbalance in the brain, the doctors and the pharmaceuticals have claimed their prescribed drugs reverse the process. I had dedicated ten years (2012-2022) of research to studying the psychiatric issue, visiting eight different psychiatrists and consistently taking prescribed medication. The medication did not have any effect on My thought. The medication, however did weaken My body to the dangerous level. It is difficult in the world today to believe the pharmaceuticals, the media, or politicians.

In the online world, much oversimplified, opinionated, and inaccurate information is disseminated and accepted as common knowledge, often undermining reliable and accurate information. In solving these problems, the new internet you can trust shall be one of My priorities. The new internet shall not connect to existing World Wide Web (www) and one day the existing one shall be disregarded.

THE TENTH COMMANDMENT

Do not covet the good of your neighbor.

The Tenth Commandment prohibits coveting anything that belongs to your neighbor. The Father reminds you to be content with what you have. Christ taught that it was not wrong to notice the things that belong to your neighbor, nor even to desire to obtain such things legitimately. Coveting happens when you see the prosperity, achievement, or talent of another; then resent it, want to take it, want to prevent it, or punish a successful person. Coveting includes harm or negative intention to neighbor by your desire to take away what he has. Christ teaches not to use God in your life to increase your wealth on Earth. He teaches that if you do not worship money, if you follow Him and help the sick and poor to your best ability, the Father shall reward you in Heaven. Many televangelists miss the mark. They think God rewards them now being the rich and the famous.

You can take inspiration from the success of others, or you can covet it. The first provokes "hard work and prudence." The latter generates "excuses or provokes confiscation." You shall not think that life is a zero-sum game that somehow harmed or unlucky when other people do well. You shall not fantasize that others' achievements are your own. "Envy" and "acquisitiveness" shall be forbidden at work where status and pay are parts of your relationships with people you spend a lot of time with.

Today, society's significant problem is egoism or self-interest. A person's value is falsely elevated by the amount of material they earn. I do not support equal pay in sport between men and women. Even among men, for humility reason, I do not support equal pay. The voicing of how much is your worth means you are worshipping money. Your determination is to get what you (falsely) think you worth. Men's or women's worth are not related to their pay-role. The life coaches, self-manifestation coaches, universe-manifestation coaches, or other similar false coaches focusing on how to successfully get what you want shall stop lying. Women and men shall realize that all societies need both women and men to help grow in all of societies' affairs. This is a fact for everyone to accept. It is not a problem for anyone to solve or to voice. Stop over simplify anyone. My suggestion is getting your mindset fix first. If a woman or a man, has a good and humble heart, they do not need to exaggerate it for the world to know it.

Equality is equal in the opportunity. It is not equal in the result, that is such a one-sided and self-center concept. The word equality is now being exploited and misunderstood. Equality of opportunity necessarily leads to inequality once everyone has the same set of opportunities. These inequalities are justified because they arise solely from the individual's professionalism, talent, recognition, and hard work. People with intellectual inferiority, lesser talent, and lesser recognition now want the world to give out equal pay. A good or a reasonable income cannot satisfy those anymore when they see someone else (who is better at the job) receiving higher pay. Many want to have everything equal or better than others because they falsely believe they are "due" to such rewards. Many want to be treated professionally but need more capacity to be professionals themselves. Influential persons misuse their status these days. Instead of using their public status to being a good role model of lovingkindness, they teach young people to use their given platform voicing the wrong messages. Often, they want the world to accept their bad behavior. They say no one shall complain about their bad behavior, if some other famous persons are allowed to do so.

Artistic value in art or the creative industry shall not be pressured to compromise its creative quality. Works of art in all forms, to achieve masterpiece status can only be possible when freedom of artistic expression is fully maintained. Artworks on false gods, false religions, and false idols shall not be allowed after My Transfiguration. Unfair substances and methods in sports doping are forbidden. You may have good reasons to desire achievement, advancement, or reward at work. Envy cannot be one of them. Nor is working obsessively out of jealousy for the social standing it may enable. Make it a consistent practice to recognize the accomplishments of others and give them the credit they deserve.

THE RENEW PROCLAMATION OF GOD'S LAW
THE KINGDOM OF GOD

THE APPEARANCE OF CHRIST TO MARY MAGDALENE AFTER THE RESURRECTION

ALEXANDER IVANOV

MATHEW 5:3-10

The pride of man shall be bowed down, the arrogance of men shall be humiliated, and when that day comes, ADONAI shall be exalted. The idols shall be completely abolished. People shall enter cracks in the rocks and holes in the ground to escape the terror of ADONAI and His Glorious Majesty, when He sets out to convulse the Earth.

On that day a man shall take hold of his idols of silver and idols of gold, which they made for themselves to worship, and fling them away to the moles and bats!

PSALM 2:7-9

Let Me tell you what GOD said next. He said, "You're My Son, and today is Your birthday.

What do You want? Name it: Nations as a present? continents as a prize?

You can command them all to dance for You, or throw them out with tomorrow's trash.

An Eye-Opening Truth You Must Learn is that
there shall be God's Warnings
for Your Failed Effort and Preparation
for *THE KINGDOM OF GOD*,
for Your Wickedness and Your Grievous Sins.

In your consumerist world, wake-up calls like Noah's flood are necessary.

Christ promises Salvation, Eternal Life, and Heavenly Home to Christianity. Christ is the object of Faith. Faith is an absolute trust in a real God. Faith is connected to the Savior, and from that connection, Faith clings also to all the promises that Christ has made in Christ's Words. Faith for Christians is not blind Faith but confident trust in Christ's Love and His Holy Words.

To God, one must have childlike Faith. A purity of a child before being influenced by manmade beliefs.

Men's limitations in Faith come from the world culture of scientific truth. Today, even those who have committed their lives to serving God still need and seek scientific proof from God. They challenge God's greatness, knowing that He exists, but still behaving as if He does not.

In the Book of Genesis 18, verse 26-33, God decided to destroy His creation when men corrupted the world, sparing only the Righteous Noah and his family. Again, in the Book of Genesis 19, verse 24, God burned the cities of Sodom and Gomorrah as examples of what shall happen to the ungodly.

The Biblical War between Heaven and the enemies of God shall be fulfilled during the Great Tribulation period. The enemies of God include those who do not worship the same Israel's God, those who worship money, and those rejecting Me as their King. Before My Coronation in 2036, punishment for rejecting Me as their King is necessary. For the rejected nations, there shall be famine in addition to the Biblical War.

In 70 days, on April 5th, 2024, Bangkok Time (or April 4th, 2024, Los Angeles Time), it shall be the arrival of the San Andreas Fault Earthquake, then there shall be the arrival of the Nankai-Sagami Megathrust Earthquake and Tsunami. The two Major Earthquakes are to occur symbolically forty days before and after the National Day of Israel respectively.

God's disciplinary and God's Love are totally two separate things. God is in control. God is not a fortune teller. God can influence Timelines and influences the severity of the events. The San Andreas Fault Earthquake and the Nankai-Sagami Megathrust Earthquake are not predictions or probabilities.

They are far more critical. They are your reality. They are the warning!

San Andreas Fault is a main fracture of the Earth's crust in the Western United States. It is one of the most studied fault lines in the world with simulations of the Quake available.

THE RENEW PROCLAMATION OF GOD'S LAW
THE KINGDOM OF GOD

The San Andreas Fault Major Earthquake is to cause major destructions along the West Coast from Cape Mendocino in the North down to the Southern border of the United States and Mexico. Ruptures are also to occur between the San Andreas Fault and the coastline and affect many populated cities. Among the affected cities are San Francisco, Los Angeles, San Diego, San Jose, Santa Barbara, Palm Springs, and Santa Cruz.

The 1,300 kilometers of faulting is to last 10 minutes, equal to the longest earthquake ever recorded. San Andreas Fault is to have an intensity of magnitude 9.1 on the Richter scale, equal to the intensity of the 2011 Tohoku Earthquake in Japan.

The San Andreas Fault Earthquake is to occur at 16:06 Hours on the afternoon of April 4th, 2024 with a hypocenter in Wrightwood.

Nankai-Sagami Megathrust Earthquake is to happen when all five segments of the Nankai Megathrusts rupture simultaneously with the Sagami Megathrust. Nankai Megathrust and Sagami Megathrust are submarine troughs located on the South of Japan's island of Honshu. The total length of the two is almost 1,300 kilometers.

An average slip on both Megathrusts' six segments is 6-9 meters to cause an Earthquake intensity of magnitude 9.0 on the Richter scale. The slow fault rupture speed is to last 14 minutes which is longer than any previous Earthquake and shall cause a massive Tsunami with waves of up to 37 meters in height. Destruction of the Nankai-Sagami Megathrust Tsunami is to vary from coastline to coastline along Japan's East Coast.

The Quake is to trigger an eruption of Mount Fuji.

The Nankai-Sagami Earthquake is to occur at 13:54 Hours on the afternoon of June 23th, 2024 with an epicenter off the East coast of Honshu on the D segment of Nankai Megathrust. The eruption of Mount Fuji is to occur on July 13th, 2024. The Mount Fuji eruption is to be one of the most devastating volcanic events and the ash cloud shall dramatically impact the Earth's atmosphere and aviation industry. There shall be disruption of sun lights, rain falls, and air traveling in the region.

My advice is to avoid the affected zones at such times. Preparedness efforts shall be the responsibilities of the United States and the Japan governments. Each nuclear power plant shall be brought to a safe shutdown ahead of the Earthquakes.

To make sense of God's wrath, humankind need to understand that they were created in the image and likeness of God. God is for Peace. Love and forgiveness shall be the nature and purpose of every mankind. Mankind has fall so far from Righteousness, many still curse at God who created them. In going forward, for any man to be allowed to live on Earth, he shall become what is God expects of him.

Be Righteous.

The Righteous deserves to enjoy the fruits of their hard work, perseverance, and positive influence. It is time the Righteous reap the rewards of their efforts and experiences the positive outcomes of their actions, both personally and the impact they have had on others.

REMBRANDT

MARK 9:42-28

It shall be terrible for people who cause even one of My little followers to sin. Those people should be better off thrown into the ocean with a heavy stone tied around their necks. So, if your hand causes you to sin, cut it off! You should be better off to go into life paralyzed than to have two hands and be thrown into the fires of hell that never go out. If your foot causes you to sin, chop it off. You should be better off to go into life lame than to have two feet and be thrown into hell. If your eye causes you to sin, get rid of it. You should be better off to go into Heaven with only one eye than to have two eyes and be thrown into hell. The worms there never die, and the fire never stops burning.

MATTHEW 6:14

But if you do not forgive others their sins, your Father shall not forgive your sins.

Through Scripture,
The Father Chose Small, Weak, Sinful People
to Reveal to Them about *HIMSELF*,
HIS REDEEMING PLAN, *HIS SON*,
and *THE KINGDOM OF GOD* on Earth.

This process began with the Hebrew Abraham about 4,000 years ago.

GOD'S REDEEMING PLAN

In summary, the Father's Redeeming Plan is for you to fulfill His Plan in three steps. And I AM your judge. The first step is Baptism when you are older than fifteen years old. The second step is Asking for Repentance, for God's Forgiveness. The third step is fulfilling God's Law for the rest of your life. In fulfilling all Commandments for the remainder of your life on Earth, you shall pass from death to everlasting life in the Kingdom of God in Heaven.

Those who fail one or more of the Twelve Commandments, those whose Repentance has not been accepted, those who take their own life, or do not believe in God shall enter an irreversible chamber of unspeakable hell.

With the expression, "I Believe in God," this single sentence provides a rich meaning. It includes four themes, and those themes, are of great importance. First, the act of believing itself, or "Faith." Second, the particular "Adoption" of that act to the mind of every Christian, so that each believer believes for himself. It is not said, "We Believe", but "I Believe." Third, the "Consciousness" of that Faith, by which every believer shall be conscious and assured of his own Faith. Fourth, the "Practice" of that Faith into the outer world.

THE RENEW PROCLAMATION OF GOD'S LAW
THE KINGDOM OF GOD

The Father shall accept those who believe in God and wish to be saved by God in Heaven. However, they have to still earn their place through Baptism, Repentance, and Fulfilling God's Law. In summary, the Father's Redeeming Plan is for you to fulfill His Plan in three steps. I AM your judge. The first step is Baptism when you are older than 15 years old. The second step is asking for Repentance, for God's Forgiveness. The third step is fulfilling God's Law. In fulfilling all Commandments for the remainder of your time on Earth, you shall pass from death to everlasting life in the Kingdom of God in Heaven.

Those who fail one or more of the twelve Commandments, those whose Repentance has not been accepted, those who take their own life, or do not believe in God shall enter an irreversible chamber of unspeakable hell. Hell is the most dangerous matter in the existence, and Christ Immanuel had taught more about hell than Heaven in the last Ministry.

Hell is eternal in its consequences and duration, which means an individual is tormented endlessly in the fire of hell. Hell is real, horrible, conscious, and irreversible. Hell is a place of darkness. There is no food or water. There is no means of escape from hell. Hell was created before the Heaven and the Earth. Hell is the defense mechanism for God.

The only way of escape hell is to fulfill the Father's Redeeming Plan. Eternity with God is the highest attainment in life and destiny. Thus, Scriptures represent it, not confounding revelation with only the series of the Redemptive Acts of God, but giving it a function as a substantive element in the operations by which the merciful God saves sinful men.

FALSE TEACHING DOES NOT FULLY UNDERSTAND THE IMPLICATION AND INTERPRETATION OF GOD'S LAW.

"FALSE TEACHING"
**Does not Realize that their Teaching
Leads to *HELL*.**

FALSE TEACHING TEACHES FICTITIOUS DOCTRINE AND HAS NOT BEEN ABLE TO SPOT
CHRISTIANITY'S FALSE TEACHING.

FALSE TEACHING DOES NOT KNOW THE TRUTH.

FAULT TEACHING MUST STOP IMMEDIATELY. I SHALL NOT TOLERATE ANYONE USING MY
NAME AS AN EXCUSE FOR THEIR WICKEDNESS.

**FATHER THANK YOU FOR YOUR LOVE, BLESSING,
GUIDANCE AND SUPPORT.**
